

<h2>Universal remote control</h2> <p>Products instruction and after-sales guarantee</p>  <p>Smart Life</p>	<h3>Product Introduction</h3> <p>The intelligent application scenario of common electrical appliances can be designed and realized by adding universal remote controller</p> 	<h3>Using Preparation</h3> <ol style="list-style-type: none"> 1. Electrify the device and ensure that the mobile phone has been connected to the Wi-Fi network in the 2.4GHz band. 2. Download and enter APP <p>Search "Tuya Smart" in the App Store or download the AP via scanning the QR code on the packing box or manual.</p> <p>For the first download, please click to register new account; if there is an account; then enter the account and click to log in.</p>  <p>APP</p>	<h3>Network configuration</h3> <ul style="list-style-type: none"> ● Open Tuya Smart App, click "My Home", click "+" in the upper right corner, and select "Universal Remote Control" in the "Other" directory. : 																																									
<ul style="list-style-type: none"> ● Please hold the reset button over 5S until the indication light flashes, adding the device as the instructions  <p>Reset Button</p> <p>Network indicator light</p> <ul style="list-style-type: none"> ● After adding successfully, you can find the device in "My Home" list. Then you can add device by remote control when you need. 	<h3>Warranty</h3> <ol style="list-style-type: none"> 1. Unauthorized maintenance, misuse, collision, negligence, abuse, infusion, accident, alteration, incorrect use of accessories, or tear, after the label and anti-counterfeiting mark will not be guaranteed. 2. Damage caused by force majeure will not be guaranteed. 3. Damage or malfunction caused by other non-product problems such as design, technology, manufacturing, quality, etc will also not be guaranteed. 	<h3>Statement of Toxic and Hazardous Substances in Electronic Products</h3> <table border="1"> <thead> <tr> <th rowspan="2">component</th> <th colspan="6">Toxic and harmful substances or</th> </tr> <tr> <th>(Pb)</th> <th>(Hg)</th> <th>(Cd)</th> <th>(Cr(VI))</th> <th>(PBB)</th> <th>(PBDE)</th> </tr> </thead> <tbody> <tr> <td>Shell</td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> </tr> <tr> <td>PCB</td> <td><input checked="" type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> </tr> <tr> <td>Charger</td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> </tr> <tr> <td>Enclosure</td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> <td><input type="radio"/></td> </tr> </tbody> </table> <p>This form is compiled in accordance with SJ/T 11364.</p> <p>This product meets the RoHS environmental protection requirements. At present, there is no mature technology in the world to replace or reduce the lead content in electronic ceramics, optical glass, steel and copper alloys.</p>	component	Toxic and harmful substances or						(Pb)	(Hg)	(Cd)	(Cr(VI))	(PBB)	(PBDE)	Shell	<input type="radio"/>	PCB	<input checked="" type="radio"/>	<input type="radio"/>	Charger	<input type="radio"/>	Enclosure	<input type="radio"/>	<h3>Third-party control</h3> <ul style="list-style-type: none"> ● Click "More Devices" in the upper right corner of the Device Control page to see the supported third-party controls ● Referring to the configuration of the control platform to connect the universal remote control. ● Currently supported Third-party control : (ongoing updating)

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Xian Chishine Optoelectronics Technology Co.,Ltd may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

Radiation Exposure Statement
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
