[for FCC]

The indication complies with Part 18 of the FCC rules

FCC statement
This product complies with the appropriate requirements or the required standards of FCC (Federal Communication Commission), described below:

This device complies with Part 18 of the FCC rules.

(a) The interference potential of the device or system

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used per the instructions, may cause harmful interference to radio communications.

(b) Maintenance of the system

In order to use safely:

- **Remove any metal objects from the charge pad before charging a device.**
- **Do not open the charger case.**
- **Do not use the charger if it malfunctions. Contact your dealer.**

(c) Simple measures that can be taken by the user to correct interference.

If the charger interferes with radio communications, attempt to correct the interference:

- **Press and hold the switch on the charger for a few seconds to turn off the charger.**
