IF YOU DO NOT HAVE SUCH AUTHORITY, OR IF YOU DO NOT AGREE WITH THE TERMS OF THIS EULA, THEN PLEASE EXIT THIS PAGE WITHOUT CLICKING ON THE “ACCEPT” BUTTON, DO NOT INSTALL OR USE THE NCOMPUTING® VSPACE® SOFTWARE AND/OR LICENSED DEVICES, AND IMMEDIATELY DELETE THE NCOMPUTING® VSPACE® SOFTWARE FROM THE COMPUTER ON WHICH IT WAS COPIED OR DOWNLOADED. BY DOING SO YOU FOREGO ANY IMPLIED OR STATED RIGHTS TO INSTALL OR USE THE NCOMPUTING® VSPACE® SOFTWARE AND/OR LICENSED DEVICES.

- 1. OVERVIEW.** The terms and conditions set forth in this EULA apply to the NComputing® vSpace® desktop virtualization software (the “**Software**”). This EULA supersedes all other licensing terms for the Software. Updates to the Software provided by NComputing through Internet-based services or other means are also subject to this EULA, unless other terms accompanying those updates explicitly supersede or amend this EULA.

The Software is licensed on both a per Licensed Device and per Licensed Computer basis. The Licensed Device connected to a user session is not equivalent to a personal computer and is not compatible with all personal computer applications including software and/or peripherals. Licensed Devices cannot be operated as independent computers; they must be connected to a host computer. Since the Licensed Devices share the Licensed Computer’s resources, the Licensed Devices display performance may decrease if the Licensed Computer’s processor(s) or other resources become overloaded as more Licensed Devices are attached to the Licensed Computer or by users running resource intensive applications.

- 2. DEFINITIONS.** The following definitions will be used throughout this EULA:
 - a. “Software”** means the NComputing vSpace desktop virtualization software.
 - b. “Licensed Device”** means a genuine NComputing X-series PCI card or access device.
 - c. “Licensed Computer”** means a physical machine running a licensed operating system on which the Software is installed that hosts one or more user sessions to which one or more Licensed Devices connect.
 - d. “Open Source Software”** means any software or software component, module or package that contains, or is derived in any manner (in whole or in part) from, any software that is distributed as free software, open source software or similar licensing or distribution models, including, without limitation, software licensed or distributed under any of the following licenses or distribution models, or licenses or distribution models similar to any of the following: (a) GNU’s General Public License (GPL) or Lesser/Library GPL (LGPL); (b) the Artistic License (e.g., PERL); (c) the Mozilla Public License; (d) the BSD License; and (e) the Apache License.
 - e. “You” or “you”** means the company, entity or individual who enters into this EULA and has rightfully acquired the Software from NComputing or its authorized sources.

3. **INSTALLATION AND USE LICENSE.** Subject to the terms and conditions set forth in this EULA and conditional upon your compliance therewith, NComputing grants to you a limited, non-exclusive license to use the Software on a Licensed Computer with a Licensed Device. To use the Software under a license, you must assign that license to a Licensed Computer in which you have installed your X-series PCI card that is associated with this license. You assign the Software to the Licensed Computer via the NComputing registration process.

- a. **Installation of Software on Licensed Computer.** You may install one copy of the Software on one Licensed Computer. You may then connect up to the maximum number of supported Licensed Devices defined for this license type to this Licensed Computer. Except as provided in the Storage and Host Computer Upgrade sections below, you may not use the Software on any other computer.
- b. **Connection of Licensed Devices.** You may directly connect the X-series access device(s) associated with this license to the X-series PCI card installed in the Licensed Computer.
- c. **Microsoft Windows Licenses.** You are licensed by NComputing to use the vSpace Software under the terms of the EULA. You must also acquire the appropriate number of Windows Server licenses and Client Access Licenses for each device or user accessing Windows Server software. You cannot use the vSpace Software with Windows Client software (i.e., Windows Vista, Windows 7) unless a single user and no other user accesses the same Windows Client software at any one time, or you are authorized to do so under an applicable license from Microsoft or as expressly set forth below (see "Microsoft Windows Server to Windows XP License Rights"). In all cases, your rights and obligations with respect to the use of vSpace Software with Windows Server software and Windows Client software are defined by both the NComputing vSpace Software EULA and the applicable Microsoft Software License Agreement or EULA.

4. **ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.**

- a. **Storage.** You may store one copy of the Software on a storage device, such as a network server. You may use that copy to install the Software on any other computer to which a license has been assigned.
- b. **Microsoft Windows Server to Windows XP License Rights.** If you have licensed the appropriate number of Windows Server operating system and associated Client Access Licenses for simultaneous access by multiple users to the Licensed Computer, you may install and run the Software on a separately licensed Windows XP Client operating system for simultaneous access by multiple users in lieu of the Windows Server operating system. You may only install and use either the Windows Server operating system software or the Windows XP Client operating system software but not both. This paragraph provides supplemental rights to, and does not limit your existing rights and obligations under, applicable Microsoft Software License Agreements or EULAs. Microsoft does not provide any support for the Software or for the Windows XP Client operating system in this configuration; you should seek support from NComputing for issues relating to the Software and its use with the Windows XP Client operating system.

5. **LICENSE RESTRICTIONS.** Unless applicable law gives You more rights despite the limitations in this EULA, You may use the Software only as expressly permitted herein. You must comply with any technical limitations in the Software that only allow you to use it in certain ways. You may connect the Licensed Computer on which the Software is installed to up to the maximum number of Client Devices permitted by NComputing in the documentation accompanying the Software. Furthermore, you may not:

- use the Software on any devices or products other than those that you or your business organization own or have a valid legal right to use;
- use the Software on any devices other than a Licensed Computer;
- connect the Licensed Computer on which the Software is installed to more than the maximum number of Client Devices permitted by NComputing in the applicable documentation;

- modify, translate, reverse engineer, decompile, disassemble or otherwise attempt (i) to defeat, avoid, bypass, remove, deactivate, or otherwise circumvent any software protection mechanisms in the Software, including without limitation any such mechanism used to restrict or control the functionality of the Software, or (ii) to derive the source code or the underlying ideas, algorithms, structure or organization from the Software (except that the foregoing limitation does not apply to the extent that such activities may not be prohibited under applicable law); or
 - make more copies of the Software than expressly permitted in this EULA;
 - publish the Software for others to copy; or
 - rent, lease, distribute, lend, sublicense, modify or create derivative works based on the Software or any part thereof, or grant to any third party any rights in the Software and its accompanying documentation, or any modifications of any of the foregoing, without the prior written consent of NComputing.
6. **OWNERSHIP.** The Software is licensed, not sold. NComputing reserves all rights not expressly granted herein. All intellectual property rights in and to the Software, including without limitation, all patents, copyrights, trademark, trade secret and other proprietary rights of any kind, remain solely the property of NComputing or its licensors.
7. **REASSIGNMENT OF THE SOFTWARE.** You may reassign your copy of the Software to a new or upgraded Licensed Computer, provided that you first uninstall the Software from the original Licensed Computer on which it was previously installed and assigned to and then register and reassign your copy of the Software to the new Licensed Computer via the NComputing registration process. You may reassign your copy of the Software in this manner no more than two (2) times.
8. **SCOPE OF LICENSE.** The Software is licensed, not sold. This EULA only gives you some rights to use the Software. NComputing reserves all other rights. The rights granted to you under this EULA are conditional upon your compliance with the terms and conditions set forth herein. Unless applicable law gives you more rights despite the limitations in this EULA, you may use the Software only as expressly permitted in this EULA. In doing so, you must comply with any technical limitations in the Software that only allow you to use it in certain ways. All intellectual property rights in and to the Software and the Licensed Device(s), including without limitation, all patents, copyrights, trademark, trade secret and other proprietary rights of any kind remain solely the property of NComputing or its licensors. You may not work around any technical limitations in the Software; reverse engineer, decompile or disassemble the Software; make more copies of the Software than specified in this EULA; publish the Software for others to copy; or display, disclose, rent, lease, distribute, lend or create derivative works based on the Software or any part thereof.

You as the initial end user of the Software may make a one-time permanent License transfer to another third-party end user. The transfer may not be an indirect transfer, such as a consignment. If you transfer the Software, you must uninstall it from the Licensed Computer, transfer all copies, including backups and originals, or destroy all copies not transferred. The recipient of this transfer must agree to comply with the terms of this EULA, including the obligation not to further transfer the Software.

9. **REQUIREMENTS FOR ADDITIONAL THIRD PARTY SOFTWARE LICENSES.** Additional operating system, application software, and/or access licenses may be required for some operating systems and software applications to be used with the Software. Refer to Paragraphs 2.c and 3.b above and check each of your end user software license agreements to determine if additional licenses are required. NComputing is under no obligation to advise, consult or otherwise provide guidance to you regarding third-party software licensing. You shall indemnify and hold NComputing and its distributors harmless from any and all claims, damages, costs, liabilities, etc. arising from your improper use of the Software or any other third party software.

10. REGISTRATION AND VALIDATION.

- a. NComputing requires your copy of the Software to be registered and validated online in the manner described during its installation and setup. Validation verifies that your copy of the Software is properly licensed. Without validation, your copy of the Software will only function until, and all license rights granted herein shall expire upon, the expiration of first thirty (30) calendar days from the date the Software was first installed by you.
- b. The Software may, from time to time, also require re-validation in order to confirm that your copy of the Software is still properly licensed.
- c. During the registration and validation processes, the Software will send information relating to the Software, Licensed Computer or the Client Device(s), to NComputing. This information includes, but is not limited to, the version and key code of the Software, the Internet protocol address of the Licensed Computer or the Client Device(s), and other information provided by the end user of the Software. For additional information on registration and validation please visit the NComputing knowledge base at: www.ncomputing.com
- d. If, during the validation process, the Software is found not to be properly licensed or registered, the functionality of the Software may be affected. For example, you may
 - need to reactivate the Software, or
 - receive reminders to obtain and activate a properly licensed copy of the Software; and you may not be able to
 - use or continue to use some or all of the features of the Software, or
 - obtain certain updates to the Software from NComputing.

11. UPDATE SERVICES. NComputing may make use of Internet-based services in the Software (the "Update Services") to deliver to you Updates (as defined below) and/or notifications in connection with the Software. NComputing reserves the right to change its method of delivering the Update Services at any time. You must not interfere in any way with the Update Services. NComputing shall not be responsible for any errors in the Software or the Management Center License Keys that would have been fixed by Updates to the Software that NComputing attempted to provide but that were not applied because of interference with the Update Services.

- a. From time to time, NComputing may, at its own discretion, create updates and/or patches (hereinafter collectively referred to as "Updates") to the Software. Updates may include support for and compatibility with operating system updates or service packs, bug fixes, and incremental improvements. Updates do NOT include major upgrades to the Software, which may contain major feature additions, support for previously unsupported operating systems, or support for new hardware products; such major upgrades constitute new software for which NComputing may charge additional fees and which may or may not be made available via the Update Services.
- b. If available, you may obtain Updates at no additional charge within one (1) year after the date of your purchase of a license for the Software, provided that you have properly registered such Software and assigned it to your Licensed Computer.
- c. After one year from the date of your purchase, NComputing may make further updates available to you for an additional fee per its Support and Subscription (SnS Terms and Conditions).
- d. You may obtain Updates only from NComputing or its authorized sources.
- e. The Software is designed to be compatible with currently supported operating systems and computer hardware. Notwithstanding the foregoing, NComputing does not warrant and/or represent that the Software will be compatible with any operating systems, applications, hardware or software, or any updates or upgrades thereto. If you upgrade your operating system, applications, hardware or software, NComputing will not be liable for any problems that may occur as a result of an incompatibility between the Software and any such upgraded hardware or software product.

- f. You may not use these Update Services in any way that could harm them or impair anyone else's use of the Software and/or the Update Services. You may not use these Update Services to try to gain unauthorized access to the Software, any Licensed Computer(s) or Client Device(s), or any other software, service, data or network.
12. **DATA USE RIGHTS.** You acknowledge and agree that NComputing may collect and use any information generated by the Software, including, but not limited to, error reports, connection logs and other reports related to the Software and its usage and maintenance, to improve NComputing's software and services. NComputing may also share such information with third parties, such as other hardware and software vendors, who may use it to improve their own products and services.
13. **SUPPORT SERVICES.** You may purchase maintenance and support services from NComputing pursuant to a separately executed support agreement (e.g. NComputing's Premium Support subscription). Maintenance and support terms for the Software and/or Client Device(s) are outside the scope of this EULA and are covered separately in the Limited Hardware Warranty documentation available online for download in the Support section of NComputing's website at: www.ncomputing.com.
14. **TERM AND TERMINATION.** This EULA will remain in effect until terminated. Unauthorized copying of the Software or failure to comply with the terms of this EULA will result in automatic termination of this EULA and all licenses granted herein, and will make available to NComputing other legal remedies. This EULA and all licenses granted herein will automatically terminate if You go into liquidation, suffer or make any winding up petition, make an arrangement with Your creditors, or suffer or file any similar action in any jurisdiction in consequence of debt. This EULA and all licenses granted herein may also be terminated by NComputing as set forth in Section 15 below. Upon any termination of this EULA, You shall cease all use of and destroy all of your copies of the Software. Notwithstanding the expiration or termination of this EULA, it is acknowledged that those rights and obligations that by their nature are intended to survive such expiration or termination will survive, including, without limitation, the disclaimers of warranties and limitations of liability provided herein.
15. **LIMITED SOFTWARE WARRANTY; DISCLAIMER OF WARRANTIES.** NComputing warrants that the Software (and any Updates thereto) will perform substantially in accordance with the applicable user documentation for a period of ninety (90) days from the date of your purchase of the Software (the "Limited Warranty"). NComputing's and its suppliers' sole liability, and your exclusive remedy, for any breach of this Limited Warranty or for breach of any other warranty related to the performance of the Software shall be, at NComputing's option, (i) to terminate this EULA and return the amount paid by you for the affected Software; or (ii) to repair or replace the Software to make it perform substantially in accordance with the Limited Warranty. This Limited Warranty shall not apply (i) if you make any unauthorized modifications to the Software, or misuse, abuse of the Software; (ii) if you use the Software for purposes other than its intended use; or (iii) if you violate any terms and conditions of this EULA. NComputing and its suppliers make no warranties, and provide no remedies, in connection with any defects discovered after the ninety-day Limited Warranty period.

EXCEPT FOR THE LIMITED WARRANTY PROVIDED ABOVE, THE SOFTWARE, INCLUDING WITHOUT LIMITATION ANY OPEN SOURCE SOFTWARE INCORPORATED THEREIN OR PROVIDED THEREWITH, AND ANY ACCOMPANYING DOCUMENTATION, ARE PROVIDED "AS IS".

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES EXPRESSLY STATED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER IMPLIED, STATUTORY OR OTHERWISE, INCLUDING THE WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE, FITNESS FOR A PARTICULAR PURPOSE OR SATISFACTORY QUALITY, WHICH NCOMPUTING SPECIFICALLY DISCLAIMS, FOR ITSELF AND ON BEHALF OF ITS SUPPLIERS, TOGETHER WITH ANY AND ALL WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE IN TRADE. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED FROM NCOMPUTING OR ELSEWHERE SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THIS AGREEMENT.

SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER OF IMPLIED WARRANTIES, SO THE DISCLAIMER OF IMPLIED WARRANTIES ABOVE MAY NOT APPLY TO YOU, IN WHICH CASE THE DURATION OF ANY SUCH IMPLIED WARRANTIES SHALL BE LIMITED TO NINETY (90) DAYS FROM THE DATE YOU PURCHASED THE SOFTWARE; PROVIDED, HOWEVER, THAT IN SUCH CASE NCOMPUTING'S OR ITS SUPPLIERS' SOLE LIABILITY AND YOUR EXCLUSIVE REMEDY FOR BREACH OF SUCH IMPLIED WARRANTIES SHALL IN ANY CASE BE, AT NCOMPUTING'S OPTION, (i) TO REPAIR OR REPLACE THE SOFTWARE TO CONFORM IT TO SUCH APPLICABLE WARRANTY, OR (ii) TO TERMINATE THIS EULA AND RETURN THE AMOUNT PAID BY YOU FOR THE AFFECTED SOFTWARE.

NCOMPUTING DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE SOFTWARE WILL MEET YOUR SPECIFIC REQUIREMENTS. YOU ACKNOWLEDGE AND AGREE THAT PERFORMANCE OF THE SOFTWARE MAY VARY DEPENDING ON THE LICENSED COMPUTER, CLIENT DEVICE, THE SOFTWARE PROGRAMS RUNNING ON THE FOREGOING (INCLUDING THE SOFTWARE), AND THE BANDWIDTH AND CONFIGURATION OF THE NETWORK CONNECTING THEM. SINCE ALL CLIENT DEVICES SHARE THE LICENSED COMPUTER'S RESOURCES, A CLIENT DEVICE'S PERFORMANCE MAY DECREASE IF THE LICENSED COMPUTER'S PROCESSOR(S) OR OTHER RESOURCES BECOME OVERLOADED AS MORE CLIENT DEVICES ARE CONNECTED TO THE LICENSED COMPUTER OR IF A USER RUNS RESOURCE INTENSIVE APPLICATIONS.

16. **LIMITATION OF LIABILITY.** EXCEPT TO THE EXTENT THAT LIABILITY MAY NOT BY LAW BE LIMITED OR EXCLUDED, IN NO EVENT WILL NCOMPUTING OR ITS SUPPLIERS BE LIABLE FOR LOSS OR CORRUPTION OF DATA, LOST PROFITS OR LOSS OF CONTRACTS, COST OF PROCUREMENT OF SUBSTITUTE PRODUCTS OR OTHER SPECIAL, INCIDENTAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES ARISING FROM THE SUPPLY OR USE OF THE SOFTWARE, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE). THIS LIMITATION WILL APPLY EVEN IF NCOMPUTING OR AN AUTHORIZED DISTRIBUTOR OF NCOMPUTING HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. IN NO EVENT SHALL NCOMPUTING'S OR ITS SUPPLIERS' LIABILITY EXCEED THE AMOUNT PAID BY YOU FOR THE AFFECTED SOFTWARE. YOU ACKNOWLEDGE AND AGREE THAT THIS PROVISION REFLECTS A REASONABLE ALLOCATION OF RISK BETWEEN THE PARTIES.
17. **LIMITED HARDWARE WARRANTY AND LIABILITY.** Licensed Devices are covered by a separate limited hardware warranty which is available for download in the Support section of the NComputing website at www.ncomputing.com
18. **COMPLIANCE WITH LAW.** You agree to use the Software and the Licensed Devices solely in accordance with, and within the limits permitted, by applicable laws, rules, regulations and orders.

In addition, if Customer is able to demonstrate that the costs of arbitration will be prohibitive as compared to the costs of litigation, NComputing will pay as much of Customer's filing and hearing fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive; and (8) with the exception of subparts (5) and (6) above, if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, or otherwise conflicts with the rules of the Arbitration Tribunal, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable, illegal or conflicting provision were not contained herein. If, however, subpart (5) or subpart (6) is found to be invalid, unenforceable or illegal, then if NComputing so elects, the entirety of this arbitration provision shall be null and void, and neither Customer nor NComputing shall be entitled to arbitrate their dispute.
