Remote Controlled

Congratulations To Us!

The funniest gag product ever produced just got better! We proudly present The NEW Remote Controlled Fart Machine™ No. 2 (pun intended). Armed with this new and improved device, you can embarrass your victims whenever the mood strikes you with:

- More and better fart sounds.
 Increased operating distance.
- Boom Box Blaster Circuitry to make those booming fart sounds.

Hide it anywhere. . . at parties, school, movies, office, in a baby's diaper or in the Thanksgiving Turkey!

Changes or Modifications not expressly approved by the party responsible could void the user's authority to operate this device.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the

- -- Reorient or relocate the receiving antenna.
- -- Increase the separation between the equipment and receiver.
- -- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -- Consult the dealer or an experienced radio/TV technician for help.

False activations may occur if strong radio signals are present.

Caution:

Modifications made to this device are not authorized by T.J. Wisemen Inc. and may void the users authority to operate it.

CAUTION: YOU MAY DIE LAUGHING!

Requires one (1) 9 volt battery (not included)

Directions:

- 1. Install a NEW 9 volt ALKALINE battery
- 2. Turn sound unit ON (turn OFF after use to preserve battery)
- 3. Hide Fart Machine™ No.2 under a pillow or seat cushion for great sound.
- 4. Press remote to trigger sounds
