**Instructions for battery operated toys**

- Batteries should only be inserted or changed by an adult.
- Switch the toys to the "off" position before inserting batteries.
- Insert batteries correctly in the manner shown elsewhere on the toy or packaging.
- Only use the same type of battery- do not mix brands or types.
- Replace all batteries at the same time with new ones.
- Do not mix old and new batteries.
- Do not leave batteries in the toy for long periods of time when it is not in use.
- Do not use rechargeable batteries.
- Remove exhausted batteries from the toy.
- Dispose of used batteries safely- do not throw on a fire or attempt to open up the outer case.
- At all times keep small batteries which could be a choking hazard to children out of their reach. Batteries are harmful if swallowed.
- Seek medical advice if a small battery has been swallowed by a child.
- Non-rechargeable batteries are not to be recharged.
- The supply terminals are not to be short-circuited.
