

Exhibit 6**SECTION 2.1033(c) (8)**

Instruction book(s): If the instruction book is not available when the application is filed, a set of draft instructions should be provided and the complete instruction book should be submitted as soon as available. The Commission may specify a date when the complete instruction book should be submitted to confirm this requirement with the regulations of the service under which Product Certification is requested.

RESPONSE: There is not a specific instruction book for the for **ICLA/ AS5CMP-27**.

The instruction manual for the **FLEXENT** ® Land Station Cellular system using Code Division Multiple Access (CDMA) technology was included with the original filing documents for the **CBR / AS5CMP-26** and the **ICLA/ AS5CMP-27** and for which confidential status has been requested. This Information is unchanged from the original filing.
