NOOK GlowLight<sup>3</sup>  
Quick Start Guide

## 1 Charge Your NOOK<sup>®</sup>

You must charge your NOOK before you can use it for the first time. Plug your NOOK into a USB port on your computer using the USB Cable included with your device. It takes approximately 4 hours to charge your NOOK from your computer.

## 2 Get to Know Your NOOK

**Power Button**  
Press and hold the power button on the top of your NOOK for about 3 seconds to turn it on or off. Press the power button to wake the device.

**New GlowLight<sup>™</sup>**  
Adjustable GlowLight evenly lights your display for reading in the dark or low-light conditions. New Night Mode feature allows you to effortlessly shift to a warmer light for comfortable bedtime reading.

**Touchscreen E Ink<sup>®</sup> Display**  
Your NOOK features a full touchscreen for easy navigation.

**NOOK Home Button**  
When the device is on, tap the NOOK Home button at any time to return to your Home screen.

Note: To wake the device, press either the Power button or the Home button. To enable GlowLight<sup>™</sup>, press and hold the home button for two seconds.

## 3 Setting up Your NOOK

- Turn on the Device**  
Press & hold the power button for 3 seconds to turn the device on. Tap Let's Get Started.
- Select your Time Zone**  
Tap on your time zone (for example, Eastern Time). Then tap Next.
- Connect to a Wi-Fi network**  
To register your NOOK you need to be connected to a Wi-Fi network. Select your preferred network and enter the password if required.
- Register your NOOK**  
You must register your device to your NOOK (or BN.com) account. This gives you access to any books in your NOOK Library and allows you to shop for new books, magazines, and newspapers on your NOOK.  
If you already have a NOOK (or BN.com) account:  
1. Enter the email address and password for your account.  
2. Tap Sign In.  
If you do not yet have a NOOK (or BN.com) account:  
1. Tap the Create New Account button.  
2. Follow the prompts to fill in the form with your name, email, password, and other information.  
3. Lastly, add a credit card for future purchases or Skip.  
You've now registered your NOOK and are ready to shop at the NOOK Store<sup>®</sup> and read your favorite books, magazines, newspapers, and more.

## 4 Home Screen

## 5 Glowlight With Night Mode

Our new Night Mode feature allows you to effortlessly shift to a warmer light for comfortable bedtime reading.

**GlowLight**  
Tap the right side of the Status bar for controls to adjust GlowLight brightness and Night Mode.

**Night Mode**  
Tap on Night Mode to select your preferred settings:  
• Manual: Adjust the light yourself using the slider.  
• Auto: Let the light automatically shift from cool blue to warm orange.

## 6 Touch Navigation

**Swipe**  
Glide your finger across the screen, left or right, to turn pages, or up and down to scroll through a list like your library of books.

**Tap & Double Tap**  
To select a feature or item, touch your fingertip quickly to the screen once, as though you were tapping a key on a keyboard. Double tap your finger quickly on a book cover in your Library to bring up additional details.

**Press & Hold**  
Touch your finger to the screen and hold it there for approximately 2 seconds. A menu will pop up allowing you to perform tasks such as Highlight and Look Up Word while reading.

## 7 Start Reading
