Declaration about user manual statements – Application for certification of Parrot by Martin Szekely
FCC ID: RKXMSZ
IC: 5119A-MSZ

Gentlemen,
The North American version (FCC and IC) of the User Manual for the Parrot by Martin Szekely will include the following statements:

FCC rules - 47 CFR Ch. I §15.105

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.*
- Increase the separation between the equipment and receiver.*
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.*
- Consult the dealer or an experienced radio/ TV technician for help.*

FCC rules - 47 CFR Ch. I §15.21 Information to the User

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment"

Industry Canada ICES-003 Statement

"This Class B digital apparatus complies with Canadian ICES-003"

"Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada"

If you have any questions, please feel free to contact me at the shown address.
Thank you for your attention to this matter.

Signatory
