3   Your phone

3.1   What's in the box
Handset   **Base station**   **Battery door**
Base support   **2 AAA rechargeable**   **Power supply**   **Line cord***
                         NiMH batteries
User manual   **Guarantee**   **Quick Start Guide**
☕ Note

*You may find in the box the line adaptor delivered separately from the line cable. In this case, you have to connect the line adaptor to the line cord first before plugging the line cord to the line socket.

In multihandset packs, you will find one or more additional handsets, chargers with power supply units and additional rechargeable batteries.

3.2 Overview of your phone

A Earpiece

B Event LED

Blinks when there is a new missed call or Voicemail or answering machine message.

⊜ Note

If you have not subscribed to Caller Line Identification service, there will not be any alerts for new events except for new messages recorded on the answering machine. Hence, the event LED will not blink when there is a new call, or voicemail.
