

MODEL : EFT23E28D
EFT23E50D

EXSIBIT #6

CAUTION AND INSTRUCTION

1. Use only on 120 volts, 60 hertz frequency.
2. Never disassemble or modify the bulb.
3. Not for use in totally enclosed recessed fixtures.
4. Risk of electric shock. Do not use where directly exposed to water.
5. This device is not intended for use with emergency exit fixtures or emergency exit lights.
6. This product may produce interference when using a T.V., radio or a wireless remote control. If interference should occur, move the lamp away from the appliance a distance of three feet or more. Or, plug the lamp or the appliance into a different outlet. This product complies with Part 18 of FCC rules.
7. To prevent burns, please do not touch the bulb during operation or immediately after switching off.
8. Not for use with electronic timer or photocell devices or occupancy sensor.
