

Addendum

- FCC RF Exposure Warning
 - The Data Tac transmitter has been approved for portable operation and requires minimum 1.5 cm spacing be provided between antenna(s) and all person's body (excluding extremities of hands, wrist and feet) during wireless modes of operation.
- This computer is not equipped with PC Card Slots function and Product Recovery CD-ROM.
 - The information related to PC Card Slots and Product Recovery CD-ROM shown in the "Operating Instructions" and "Reference Manual" do not apply to this computer.

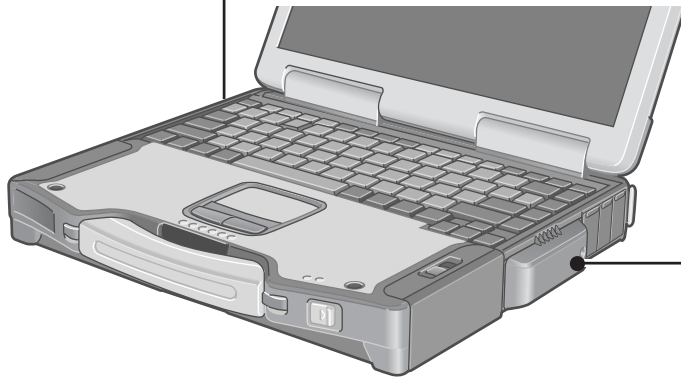

Names and Functions of Parts

"OPERATING INSTRUCTIONS"

Add the following "DataTAC Antenna".

Remove screw (A), when you open the cover of the multimedia pocket.

CAUTION

- Communication is performed through the DataTAC Antenna. Do not block the antenna area with your hand or otherwise interfere with the passage of the radio signals.
