

NEMA 3R and 4

W Series: WYS Type Unflanged Junction or Pull Boxes

Cast Iron or Aluminum Box For Surface Mounting. Raintight - Watertight.

Applications

- These boxes are general purpose enclosures suitable for use indoors or outdoors.

Features

- † Mounting Lugs are standard on boxes over 100 cubic inches internal volume, and optional on boxes 100 cubic inches or less. See pages C-6, C-7, and C-10 for additional information and ordering instructions.
- Type WYS boxes have a post in each corner and allowances must be made for them when conduit entrances are to be located close to a corner.
- Neoprene gasket, attached to cover.
- Suitable for a variety of applications.
- Wide selection of sizes and locations for drilled-and-tapped and slip-hole conduit entrances.
- Choice of locations for blind tapped holes in Interior Mounting Buttons (optional).

Standard Materials

- Cast iron box and cover.
- Neoprene gasket.
- Stainless steel cover screws.

Standard Finishes

- Box and cover: Hot Dip Galvanized.

Options

- Available in copper-free aluminum. Add suffix "A" to catalog number.

Other Options

Refer to pages C6- C12.

Compliances

- UL Listed: Type 4 Raintight .
- UL Standard: 514A, 50.
- NEMA 250-1997 Type 3R and 4.
