Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Reason for Discontinuation:

Please keep in mind that any replacement part number ending in "CUS" must follow the new custom marking procedure as described in PD-ICT-PEMU-10 sent out July 9, 2010 utilizing our CLIP PROJECT software to submit your marking data instead of the Extranet forms.
