

FWM-2X-PH

045-178-10

Product Description

The FWM-2X-PH is ideal for applications where space is limited. The wall mount features non-captive cable entries on the top and bottom. A grounding lug and a fiber management kit are included.

Features & Benefits

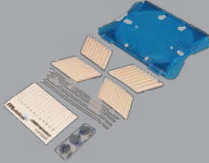

- Small compact size for when space is limited
- Can be installed upside down to have jumpers exit from the left
- Holds up to (2) Multilink adapter panels
- Lockable
