

### David Geffen School of Medicine

# PE and U: A Multidisciplinary Approach to Pulmonary Embolism Care

**November 17, 2018** UCLA Meyer and Renee Luskin Conference Center Los Angeles, California

DAVID GEFFEN SCHOOL OF MEDICINE of UCLA

### **Course Description**

This course explores the most challenging management problems that clinicians face when treating patients with pulmonary embolism (PE) and the complications of this important and potentially fatal condition. Distinguished faculty from multiple specialties (pulmonary/critical care, cardiology, interventional radiology, emergency medicine, anesthesia/critical care, thoracic surgery, and hematology/oncology) will present current information in the areas of pulmonary embolism pathophysiology, epidemiology, risk factors, diagnosis, risk stratification, medical and interventional management, novel treatments, outcomes, and complications. The conference also emphasizes interaction between participants and faculty and allows ample time for case presentations and group panel discussions with a specific emphasis on the practicalities of forming a multidisciplinary Pulmonary Embolism Response Team (PERT). The combination of didactics with a virtual PERT meeting ensures an outstanding interactive educational experience for attendees.

### **Course Objectives**

At the completion of this program, participants should be better able to:

- Understand key aspects of the latest advances in the pathophysiology, risk factors, and diagnosis of PE
- Utilize echocardiogram and other imaging modalities in the evaluation of patients with suspected and confirmed PE
- Risk stratify patients into low-risk, submassive, and massive PE categories to better identify populations that are high risk for morbidity and mortality from their PE
- Manage patients with both low-risk and high-risk PE with a variety of treatment options, including anticoagulation, medical and interventional lysis strategies, and surgical therapies
- Recognize the potential short-term and long-term complications from PE and how to prevent and treat them
- Highlight unique patient populations with PE and their specific treatment challenges
- Promote and enhance coordinated multidisciplinary care of PE patients with a specific focus on the use of PERT teams

### **Target Audience**

This course is targeted towards physicians active in the diagnosis and management of PE and Venous ThromboEmbolism (VTE), including pulmonology, critical care, hematology, cardiology, emergency medicine, interventional radiology, cardiac surgery, internal medicine, radiology and anesthesiology. Fellows, residents and allied health professionals such as nurse practitioners will also gain invaluable knowledge.

### Faculty

#### **COURSE DIRECTORS**

#### John Moriarty, MD, FSIR

Co-Director, UCLA PERT Associate Professor, Radiology and Medicine Interventional Radiology David Geffen School of Medicine at UCLA

#### Marcella Calfon Press, MD, PhD, FACC

Co-Director, UCLA PERT Assistant Clinical Professor Division of Cardiology, Department of Medicine David Geffen School of Medicine at UCLA

#### Tisha Wang, MD

Co-Director, UČLA PERT Associate Professor of Clinical Medicine Clinical Division Chief Fellowship Program Director Division of Pulmonary and Critical Care Medicine, Department of Medicine David Geffen School of Medicine at UCLA

#### **COURSE FACULTY**

#### Olcay Aksoy, MD, FACC

Assistant Professor of Medicine Division of Cardiology, Department of Medicine David Geffen School of Medicine at UCLA

#### Igor Barjaktarevic, MD, PhD

Assistant Professor Medical Director, COPD Program Director of Critical Care Ultrasound Division of Pulmonary and Critical Care, Department of Medicine David Geffen School of Medicine at UCLA

#### **Richard Channick, MD**

Director, Pulmonary Hypertension and Thromboendarterectomy Program Massachusetts General Hospital Harvard Medical School Boston, Massachusetts

#### Oren Friedman, MD

Associate Director, Cardiac Surgery ICU Department of Surgery Cedars-Sinai Medical Center Los Angeles, California

#### Scott Genshaft, MD

Assistant Professor Thoracic and Interventional Radiology David Geffen School of Medicine at UCLA

#### Vadim Gudzenko, MD

Associate Clinical Professor Director, ACCM Fellowship Medical Director, Adult ECMO Service Division of Critical Care, Department of Anesthesiology and Perioperative Care David Geffen School of Medicine at UCLA

#### Kanwar Kahlon, MD

Assistant Professor Division of Hematology/Oncology David Geffen School of Medicine at UCLA

#### Stephen Kee, MD, MMM, FSIR

Professor of Radiology Division Chief, Interventional Radiology David Geffen School of Medicine at UCLA

#### Gopi Manthripragada, MD

Assistant Professor of Clinical Medicine Division of Cardiology, Department of Medicine David Geffen School of Medicine at UCLA

#### Lynne McCullough, MD, FACEP Professor

Department of Emergency Medicine Medical Director, Ronald UCLA Reagan Emergency Department David Geffen School of Medicine at UCLA

#### Adam Plotnik, MD

Assistant Professor Co-Director of UCLA IVC Filter Clinic Division of Interventional Radiology, Department of Radiological Sciences David Geffen School of Medicine at UCLA

#### Nida Qadir, MD

Assistant Clinical Professor of Medicine Division of Pulmonary and Critical Care Medicine, Department of Medicine David Geffen School of Medicine at UCLA

#### Danny Razmy, MD

Surgical Director, Lung Transplant Program Director, Robotic & Minimally Invasive Cardiac Surgery Cedars-Sinai Medical Center Los Angeles, California

#### Rajan Saggar, MD

Associate Professor of Medicine Director, Medical Intensive Care Unit Lung and Heart-Lung Transplant and Pulmonary Hypertension Programs David Geffen School of Medicine at UCLA

#### Jonathan Soverow, MD, MPH

Health Sciences Assistant Clinical Professor of Medicine Associate Director, Cardiac Catheterization Laboratory Olive View-UCLA Medical Center David Geffen School of Medicine at UCLA

#### Victor Tapson, MD

Director, Venous Thromboembolism and Pulmonary Vascular Disease Research Program Director, Clinical Research, Women's Guild Lung Institute Associate Director, Pulmonary and Critical Care Medicine Cedars-Sinai Medical Center Los Angeles, California

#### Aaron S. Weinberg, MD, MPhil

Pulmonary & Critical Care Faculty Physician Associate Director, VTE Disease and Research Division of Pulmonary & Critical Care Department of Internal Medicine Co-Communications Chair, National PERT Consortium Cedars-Sinai Medical Center Los Angeles, California

#### Deborah Wong, MD, PhD

Assistant Clinical Professor Division of Hematology/Oncology, Department of Medicine David Geffen School of Medicine at UCLA

#### Eric H. Yang, MD, FACC, FASE

Assistant Clinical Professor of Medicine Director, UCLA Cardio-Oncology Program Associate Program Director, Cardiovascular Diseases Fellowship Division of Cardiology, Department of Medicine David Geffen School of Medicine at UCLA

### Program

### Saturday, November 17, 2018

#### 7:00 REGISTRATION AND BREAKFAST

Acute PE: Diagnosis and Triage

Moderator: John Moriarty, MD, FSIR

- 8:00 Welcome and Introductory Remarks John Moriarty, MD, FSIR
- 8:05 Acute PE: Scope of the Problem Tisha Wang, MD
- 8:20 Risk Stratification in Acute PE: Half the Battle Marcella Calfon Press, MD, PhD, FACC
- 8:35 Imaging in PE: Who, How, and What's Next Scott Genshaft, MD
- 8:50 Panel and Q&A

#### Low Risk PE

Moderator: Tisha Wang, MD

- 9:00 Anticoagulation for PE in the Age of DOACS Kanwar Kahlon, MD
- 9:15 **Rapid Discharge from ER: When is it Safe to Send Home** Lynne McCullough, MD, FACEP
- 9:30 Cancer and Thrombophilia Work Up: Who and How to Investigate Further Deborah Wong, MD, PhD
- 9:45 Panel and Q&A
- 10:00 BREAK

#### Submassive PE

Moderator: Marcella Calfon Press, MD, PhD, FACC

- 10:30 ECHO of the In-Danger RV Eric H. Yang, MD, FACC, FASE
- 10:45 Systemic Lysis for Submassive PE Nida Qadir, MD
- 11:00 Catheter Directed Therpy for Submassive PE: Not Just Lysis Stephen Kee, MD, MMM, FSIR

#### 11:15 Panel and Q&A

Moderator: John Moriarty, MD, FSIR

#### 11:25 KEYNOTE LECTURE

PE Response Teams: The Way of the Future? Richard Channick, MD

12:00 LUNCH

#### Submassive and Massive PE

Moderator: Tisha Wang, MD

- 1:00 IVC Filters: When, and When Not, to Use in Acute PE Adam Plotnik, MD
- 1:15 Surgical Management of Acute PE Danny Razmy, MD
- 1:30 Clot in Motion: PE Response Team in Motion John Moriarty, MD, FSIR
- 1:45 **Critical Care of the Massive PE Patient** *Igor Barjaktarevic, MD, PhD*
- 2:00 Systemic Lysis: How Much to Give and How to Give it Oren Friedman, MD
- 2:15 ECMO in PE: Life Saving or just Preserving? Vadim Gudzenko, MD
- 2:30 Panel and Q&A
- 2:45 BREAK

#### **Special Topics in PE**

Moderator: Marcella Calfon Press, MD, PhD, FACC

- 3:15 **CTEPH: Who and How to Follow after Acute PE** *Victor Tapson, MD*
- 3:30 **CTEPH: Treatment Options in 2018** *Rajan Saggar, MD*
- 3:45 **PE in Special Populations: Lung Transplant, Morbid Obesity and Pediatrics** *Aaron S. Weinberg, MD, MPhil*
- 4:00 PE in Special Populations: Pregnancy, High Bleeding Risk and the Patient with Cancer Olcay Aksoy, MD, FACC
- 4:15 Panel and Q&A
- 4:30 **BREAK**

#### Virtual PERT

Moderator: John Moriarty, MD, FSIR

- 4:45 Virtual PE Response Team: Expert Faculty Debate Their Best and Worst Cases Panelists: Drs. Calfon Press, Channick, Friedman, Manthripragada, Soverow, Tapson, Wang
- 6:00 ADJOURN

### **General Information**

#### **Registration Fee**

\$150 Physicians

\$50 Nurses, Allied Health Professionals

\$50 Fellows, Residents

#### Refunds

Cancellations must be received in writing by Friday, October 19, 2018 and will be subject to a \$50 processing fee. No refunds will be granted after that date. If, for any reason, the course must be cancelled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided.

#### Enrollment

#### By Mail

Use the form attached. Mail to the UCLA Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, Pulmonary Embolism Care, 10920 Wilshire Blvd., Ste. 1060, Los Angeles, CA 90024-6512

#### Online

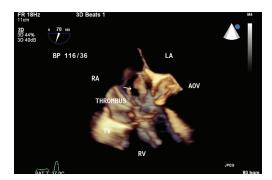

Go to www.cme.ucla.edu/courses, click on PE and U: A Multidisciplinary Approach to Pulmonary Embolism Care, and click on the registration information section. You may use your MasterCard, VISA, American Express or Discover card to register online.

#### By Phone

Use your American Express, MasterCard, VISA or Discover card. Call (310) 794-2620.

#### By FAX

Send the completed enrollment form with credit card information and authorizing signature. Fax (310) 794-2624.

#### **Program Location**

UCLA Meyer and Renee Luskin Conference Center 425 Westwood Plaza Los Angeles, CA 90095 855-522-8252

#### **Directions and Parking**

From the 405 freeway, exit Wilshire Blvd., east toward Westwood. Turn left on Westwood Blvd., travel past Charles E. Young Dr. South and turn left on Structure 8 driveway. Drive up the ramp to the rooftop level to park. Pay per license plate at the kiosk and display the parking permit on your dash. All day self parking is \$12.00. Walk down one level and across pedestrian walkway toward Luskin Conference Center. Enter through Luskin Conference Center doors on right side.

#### Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 7.75 *AMA PRA Category 1 Credits<sup>TM</sup>*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **Disclosure Statement**

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is "truly independent" and free of commercial influence. In addition to independence, the FDA requires that nonpromotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program's participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.
