# TREAT Symposium

### **OVERVIEW**

The purpose of this program will be to educate healthcare providers who care for patients with vascular lesions, highlighting important developments in the management and treatment of these patients using a transradial arterial access approach. Participants will understand, and when appropriate, integrate these developments into their clinical practices.

The TREAT symposium will offer didactic lectures, live cases, hands-on workshops and case management discussions with a panel of expert faculty. Concepts regarding patient selection, best technical approaches, potential pitfalls and equipment selection will be reviewed.

### **OBJECTIVES**

### After completion of this course, you will be able to:

- Compare and contrast equipment and procedural techniques for performing transradial vs. transfemoral endovascular therapies.
- Demonstrate the role of transradial access for complex embolotherapy and review the techniques necessary for successful therapy.
- Review the role of transradial access for visceral interventions.
- Recognize the challenges and pitfalls associated with transradial interventions.

### TARGET AUDIENCE

Interventional Radiologists, Vascular Surgeons, Physician Extenders, and other allied health professionals involved in the care of patients undergoing endovascular procedures.

### ACCREDITATION STATEMENT

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live educational activity for a maximum of **7.75 AMA PRA Category 1 Credit(s)**<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### SELF-ASSESSMENT MODULE

"Transradial: The Time is Now" has been qualified January 13, 2017 by the American Board of Radiology for 1 SAM credit.

Qualified by the American Board of Radiology in meeting the criteria for self-assessment toward the purpose of fulfilling requirements in the ABR Maintenance of Certification Program.

### LOCATION

Icahn School of Medicine at Mount Sinai, Hess Center for Science and Medicine, The Bonnie M. Davis, MD and Kenneth L. Davis, MD Auditorium, 2nd floor, 1470 Madison Avenue (Between 101st and 102nd Streets), New York, NY 10029.
