

Hi-Lo[®] Duo Flip Top[™] Display Lift for screens up to 70" or 80kg

table top

10 degrees past vertical for
young children seated on floor

Vertical for digital signage
or touch screen

Description

The Hi-Lo[®] Duo Flip Top[™] Display Lift provides a mobile screen mount with 680mm height adjustment which is able to tilt from table top (0 degrees) to 100 degrees - 10 degrees past vertical, suitable for screens up to 70 inches or 80kg.

Application

Ideal for touch screen and digital signage the Hi-Lo[®] Duo Flip Top[™] Display Lift offers great flexibility for users of new technologies for screens up to 70" or 80kg.

Designed specifically for large format screens and easy access around the screen, the Hi-Lo[®] Duo Flip Top[™] Trolley ensures interaction is safe and easy.

The height adjustment is electrically driven for a smooth and simple operation.
