

Quick Start Guide

1

Start with an app

Orvibo makes it easy to control your home from anywhere with a touch — just download the free

Orvibo HomeMate  app and create your account.

2

Your devices

Add your smart devices by choosing them from the Orvibo HomeMate app, and expand over time.

3

Up in an instant

The simple guided setup through the Orvibo HomeMate app will have you up and running in minutes.
