- Scan to cloud with PaperPort 14 SE and better OCR accuracy.

Never miss any valuable information during business trip with the ScanQ scanner! ScanQ is a portable and lightweight scanner, which is essential for business people to immediately digitize important documents, orders, contracts, and other kinds of paper into JPEG, TIF, or PDF formats. Flexible and simple enough to easily meet your actions!

The ScanQ scanner can be placed in a back pack, briefcase, computer bag at any time, and you can easily move it with almost zero burden.

ScanQ scans an A4 document at 8 seconds per page, and its resolution is up to 1200 dpi. In addition to scanning the general A4 document, ScanQ can also scan business cards, plastic cards (such as identity cards, employee identification card, etc.). ScanQ has a USB2.0 high speed transmission interface to perfectly connect desktop and notebook computers; plug and play without setting troubles.

Powered by rechargeable Li-onbattery and Scan to MicroSD Card

Powered by a rechargeable Li-ion battery, the ScanQ is cordless and easy to travel with.

You can start instant scans when a page is inserted and saved the images to an inserted microSD card in JPEG, PDF file format. Since no computer is required to scan.

What we have bundled

The ScanQ comes with PaperPort SE 14 , and Image Editing Helper.

ScanQ

## Image Editiing Helper

The Image Editing Helper main screen

Image Editing Helper software package allows a user to manipulate digital images with ease. With Image Editing Helper, you can rotate, flip, crop, deskew, invert, soften, sharpen, stitch, and even OCR photos or pictures.

If you need to remove unwanted portions of a picture or perform an OCR task on a partial area of an image, Image Editing Helper offers crop, cut, and OCR tools for easy region operation.

What really sets Image Editing Helper apart from regular image editors is that Image Editing Helper enables users to perform direct cloud scanning to Google Drive, Evernote, FTP, NetDeliver, Shared Folder, SharePoint, as well as tasks such as Scan to App and E-Mail.

PaperPort SE14
- The Professional Choice to Organize and Share Your Documents
