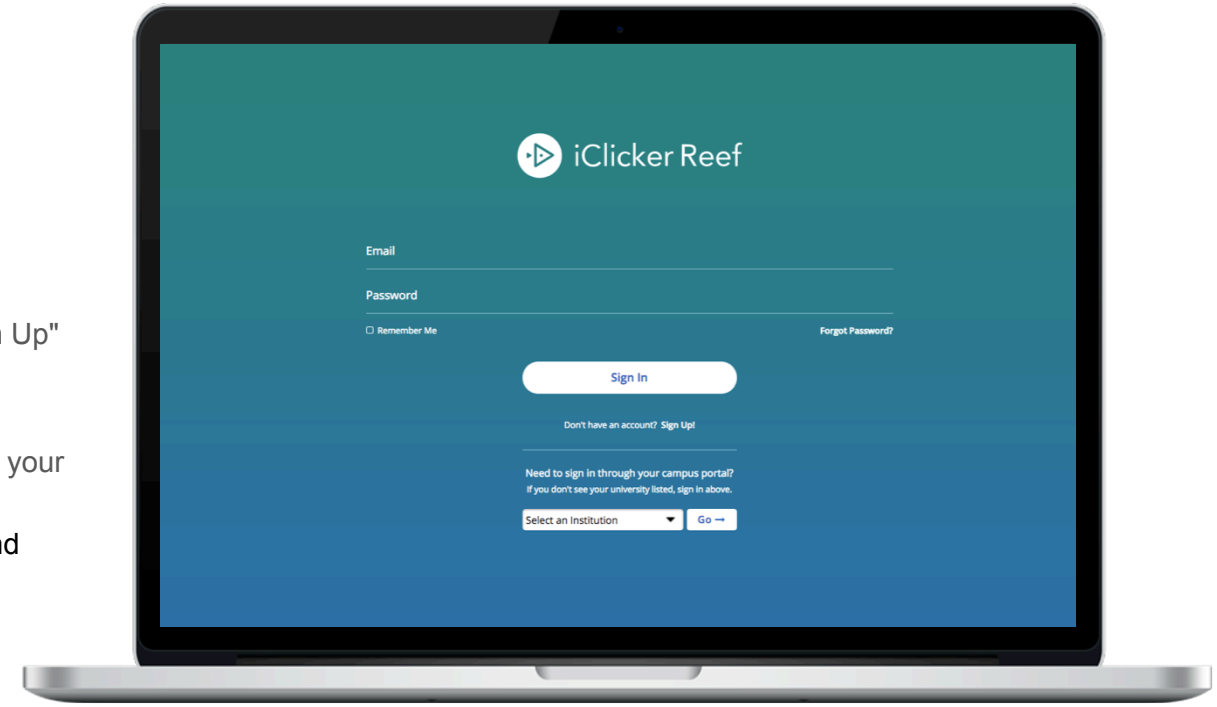
# Reef Student Web Application

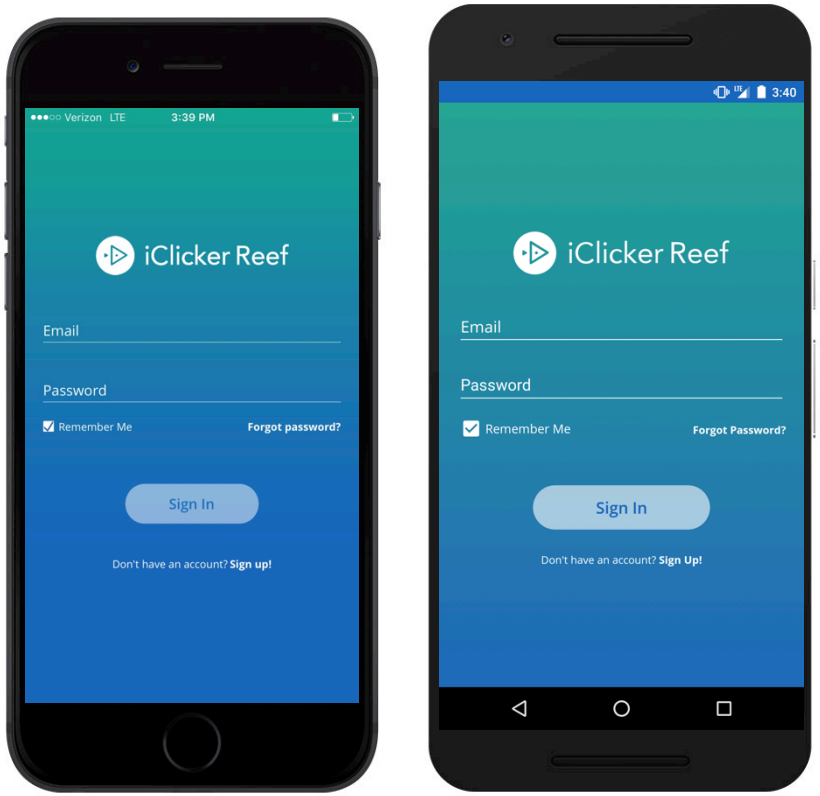
- Go to www.app.reef-education.com.
- If you've used Reef before, login.
- If you are new to Reef, click on the "Sign Up" link.
    - Select your institution, then enter your information. Please use your university email and your First and Last Name.



**Important:** Only create and use a single Reef student account. Creating multiple accounts may result in the loss of grade points.

# Reef Student Mobile App

If you want to use your mobile device to vote, you can download the mobile app from the Apple or Google app stores.



# If you are using an iClicker Remote...

If you plan to use a clicker, you must register your remote in your Reef account.

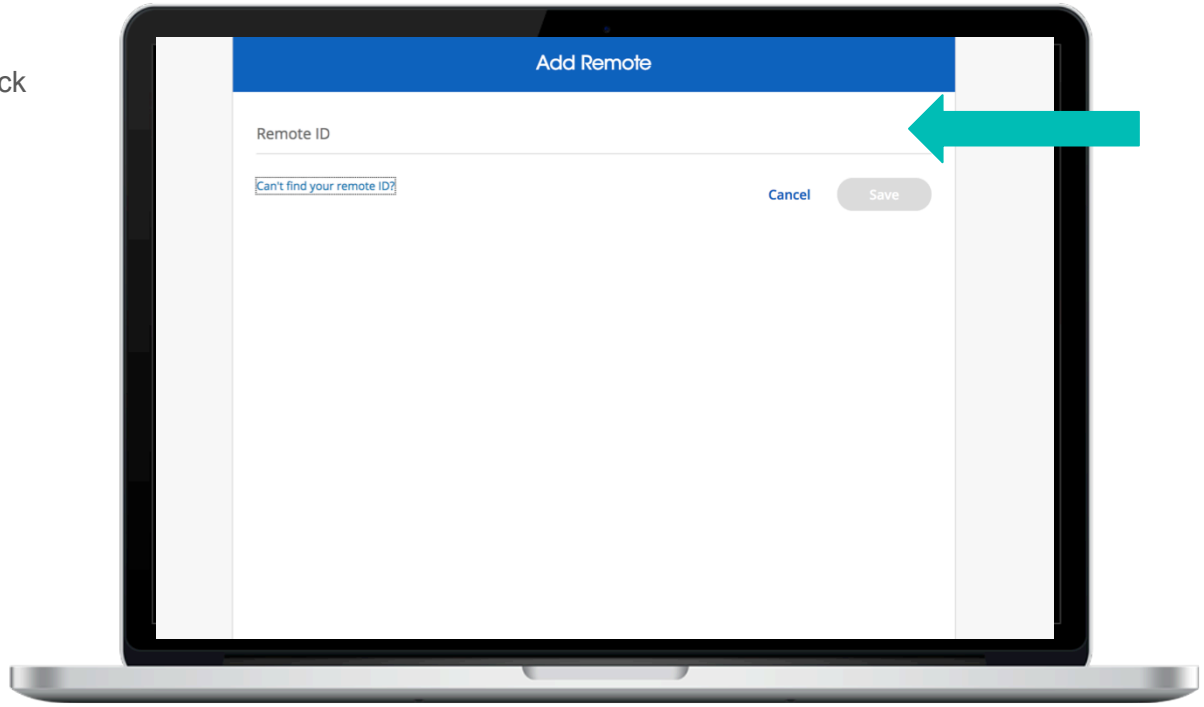
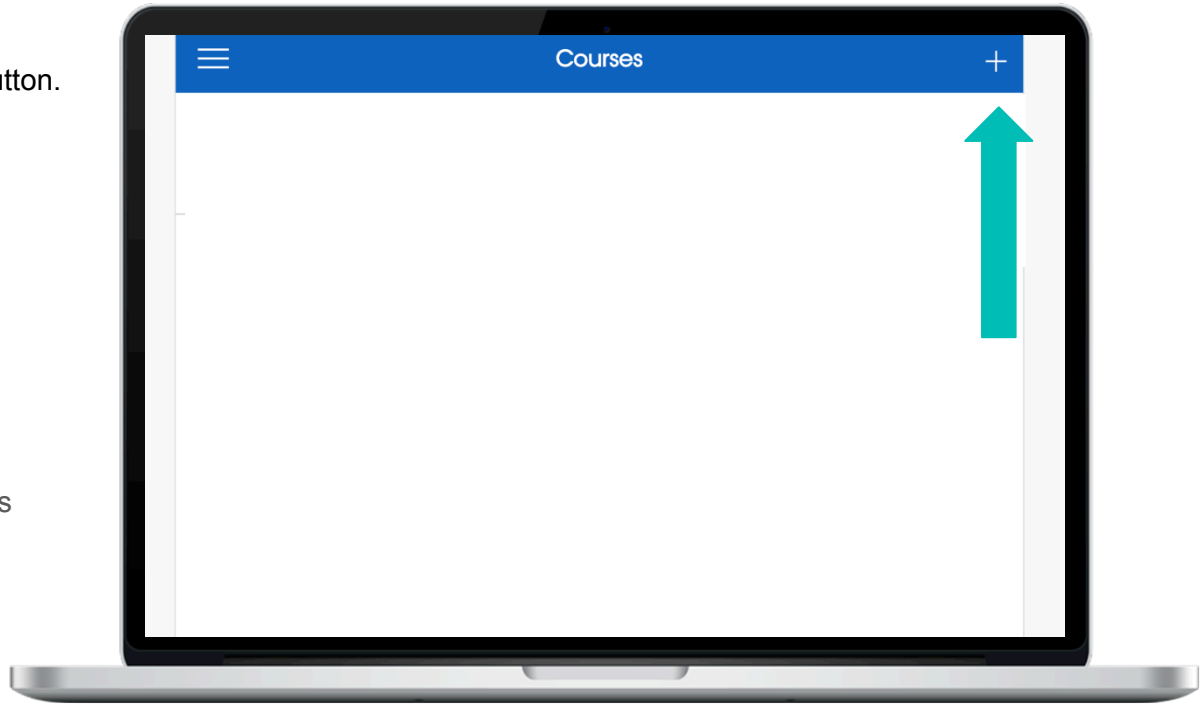
# If you are using an iClicker Remote...

Enter the barcode ID number found on the back of your clicker. If you do not have your clicker, you can register it later in your Reef profile.



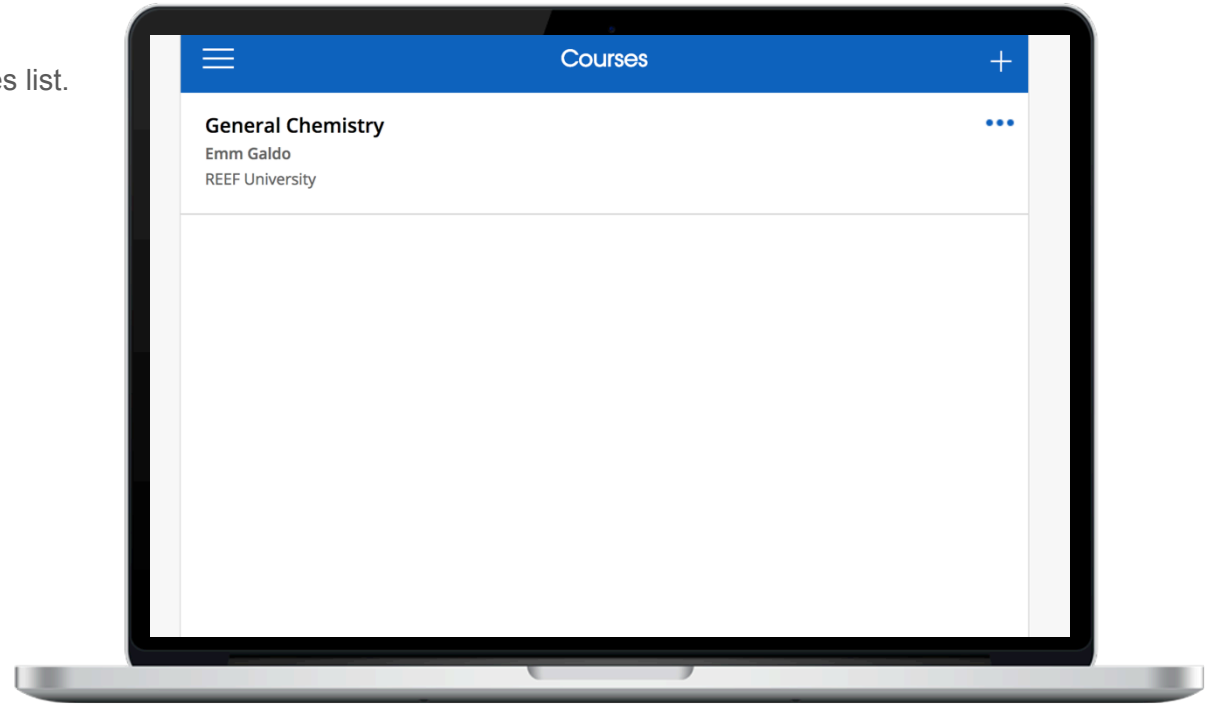
# Add This Course

- Go to the courses list and click the + button.
- Search and select Queen’s University.
- Search and select Lorena Jessop or LING100B.
- Confirm this course by clicking "Add this Course."



# Check Your Courses List

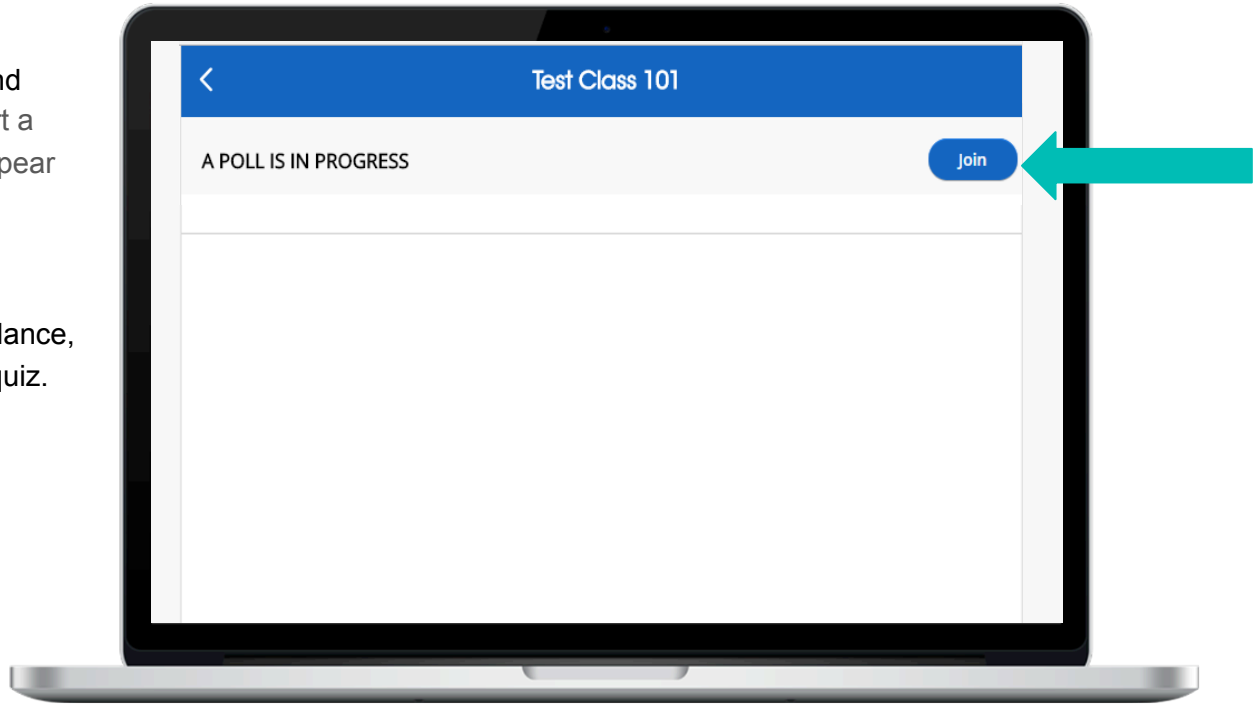
You should see the course added to your Courses list.



# Join a Session

- I will be running Attendance, Polling, and Quizzing sessions in class. When I start a session, you will see a “Join” button appear at the top of your screen.

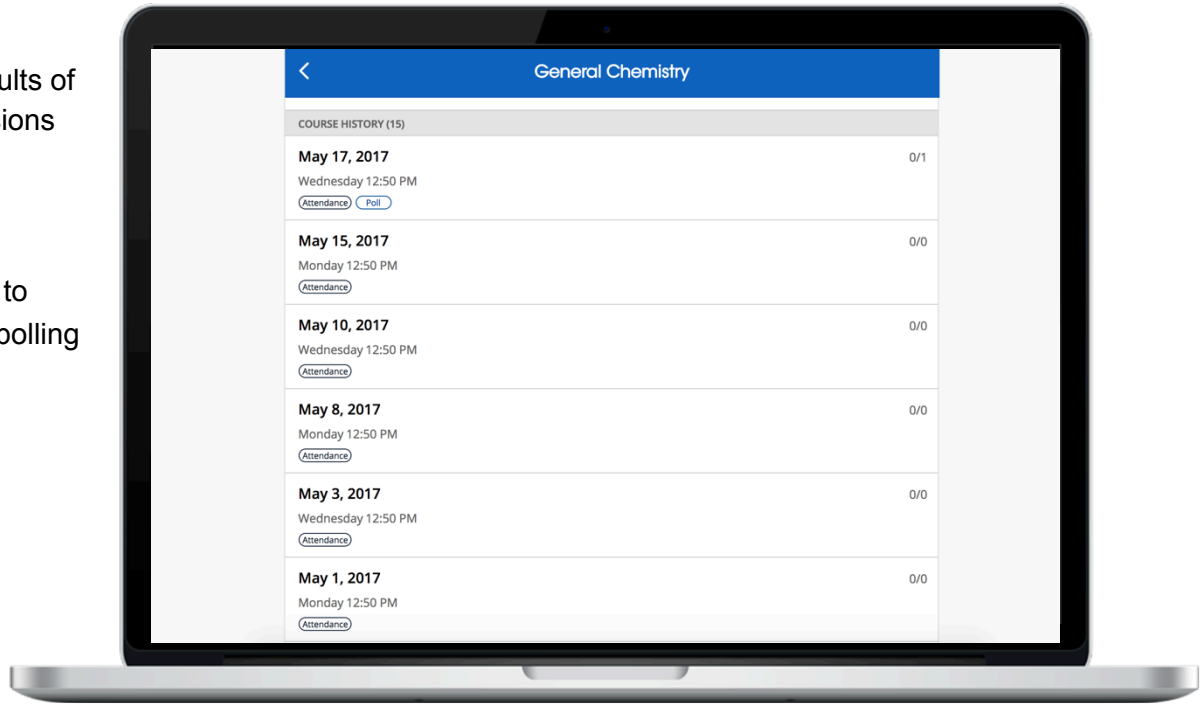
- Hit the Join button to check-in to Attendance, participate in a poll, or participate in a quiz.



# Viewing Session History

- The session history will capture the results of Attendance, Polling, and Quizzing sessions for each class date.

- You can select an individual class date to view more details, including images of polling questions to use as a study guide.



# Subscription Expired

- After 14 days, your free trial will expire and you'll need to purchase a subscription. You can also purchase an access code from the Campus bookstore. A subscription is optional if you are using a clicker.

- If you purchased an iClicker remote and received an access code card, this gives you a 6 month subscription to Reef.
