BACK BAR REFRIGERATION

Introducing the revolutionary new line of custom refrigeration from the industry leader in **cool**

Perlick®

CONTENTS

AMERICAN-MADE FOR OVER 95 YEARS

Perlick Corporation has set the standard for designing, engineering and manufacturing the highest quality bar and beverage products in the foodservice equipment industry for over 95 years. Perlick's extensive and growing portfolio of underbar, refrigeration and beverage dispensing equipment is produced in its 300,000-square-foot facility by 250-plus highly skilled and dedicated Perlick employees right here in Milwaukee, Wisconsin.

From humble beginnings producing ice-chilled cooler cabinets and keg fittings, to the hundreds of innovative award-winning products that have followed, one things has remained the same – every Perlick product is manufactured to exacting tolerances by a hard-working, diligent and experienced team committed to high-quality craftsmanship.

While we take great pride in our heritage, our focus is on the future of our industry, bringing state-of-the-art technology and innovation in foodservice equipment with the same principles that customers have come to know and expect from Perlick.
MEET THE NEW GENERATION OF
BACK BAR REFRIGERATION

NEW
End-wall Refrigeration Module creates 14% increased storage capacity

NEW
Tapping can be ordered for any compartment

NEW
NSF-approved for open-food storage

Refrigerant Service Valves reduce service costs

NEW
All models include state-of-the-art NSF-approved digital control *(self-contained models)*

NEW
Integrated locks for increased security

Recessed floor pan

Perlick®
NEW
Multiple door styles available:
solid, glass, sliding and drawers
(refrigerator or wine)

NEW
Choice of **Crisp White™** *or*
Cool Blue™ LED lighting

NEW
Deeper Top Wine Drawer allows
for bottles to be stored upright
(up to 30 bottles)

Anti-sweat heaters in cabinet
face prevent condensation

NEW
Lower Drawer allows for
cradled bottle storage
(up to 18 bottles)

NEW
Industry Exclusive
Refrigerator Drawers (Wine
Drawer option shown)

Multiple shelving options available,
including full-extension wine shelves

5

INTRODUCING ...

A NEW GENERATION OF BACK BAR EQUIPMENT
FROM THE EXPERTS IN REFRIGERATION

Perlick has raised the bar yet again with our newly reengineered back bar refrigeration line up. Expertly crafted as always to deliver the quality you've come to expect from Perlick, these new models move way beyond basic with thoughtful amenities you just can't get from other back bar equipment suppliers. Each unit is fully customizable to accommodate virtually any bar configuration.

Available in single-zone, dual-zone, narrow-door, pass-thru and sliding-door back bar models, each unit starts with a base model and is designed based on your specified options. You have full control of your cabinet's look and function. The following is a step-by-step illustration on how to build a back bar to meet your every want and need.

CHOOSE YOUR MODEL

BBS60 – Self-Contained Single-zone 2-door Back Bar Refrigerator

120V **230V**

1. CHOOSE VOLTAGE

- ☑ **120V**
- 230V

2. CHOOSE YOUR TEMPERATURE

- Standard Refrigerator (temp)
- ☑ **Wine Temp. Control – WHITE (temp)**
- Wine Temp. Control – RED (temp)
3. CHOOSE YOUR TOP

- ☑ **Stainless Steel**
- Laminate
- Tapping Stainless Steel

4. CONDENSING UNIT LOCATION

- ☑ **Left Position**
- Right Position

5. CHOOSE LED COLORED LIGHTS

- Crisp White™
- ☑ **Cool Blue™**

6. GRILLE FINISH (FRONT)

- Black pre-coat
- ☑ **Stainless steel**
- Laminate over black

7. COMPARTMENT ONE/TWO OPTIONS

☐ Solid Black/Field Laminate	☐ Drawers, Refrigerator Black /Field Laminate
☐ Solid Stainless	☐ Drawers, Refrigerator Stainless Steel
☐ Solid Laminate	☐ Drawers, Refrigerator Laminate
☐ Glass w/Black/ Field Laminate Frame	
☑ **Glass w/Stainless Steel Frame (L)**	☐ Drawers, Wine Black/Field Laminate
☐ Glass w/Laminate Frame	☑ **Drawers, Wine Stainless Steel (R)**
	☐ Drawers, Wine Laminate

8. DOOR HINGING OPTIONS

Left Compartment	*Right Compartment*
☐ None (Drawers Only)	☑ **None (Drawers Only)**
☑ **Left**	☐ Left
☐ Right	☐ Right

9. SHELVING OPTIONS

☑ **None (Drawers) (R)**
☐ Standard Wire Shelving
☐ Divider Shelving
☐ Standard Cut Out Shelves
☐ Divider Cut Out Shelves
☐ Wine Racks
☑ **Full-extension Wine Racks (L)**

10. FINISH ENDS

☐ None
☐ Laminate – Left
☐ Laminate – Right
☐ Laminate – Both
☐ Stainless Steel End Right
☐ Stainless Steel End Left
☑ **Stainless Steel End Both**

With the options chosen above, the customer would receive a 2-door, self-contained, stainless steel cabinet programmed to a single-zone white wine temperature. The left compartment is a glass door with left hinge and features five (5) full-extension wine shelves. The right compartment features wine drawers that can accommodate upright bottles and cradled bottle storage below.

BMO Harris Bradley Center   Milwaukee, Wisconsin

SINGLE-ZONE

BACK BAR REFRIGERATORS

- Available in 1-, 2-, 3- or 4-door (36", 60", 84" or 108") self-contained models or 1-, 2-, 3- or 4-door (24", 48", 72" or 96") remote models

- All models are ANSI/NSF #7 approved for open food storage and are UL listed for the U.S. and Canada

- Choice of temperature range; Refrigerator (34°F–42°F) or Wine (40°F–65°F). Factory set to approximately 38°F for Refrigerator, 45°F for White Wine and 60°F for Red Wine

- Industry Exclusive refrigerator and wine drawers available on all models (excluding 36" remote refrigerators)

- The entire back bar line can be configured to accommodate tapping

WHAT IS END-WALL REFRIGERATION?

Perlick's redesigned back bar refrigerators feature end-wall refrigeration, which **increases cabinet capacity by 14%**. All of the refrigeration components are confined to one compact module, which can be ordered with **left or right placement on the cabinet**. Should you need service or replacement, you'll save money by having the **ability to repair or replace just the module**.

From the leaders in wine storage and dispensing ...

Perlick® WINE DISPENSING GUIDE

WINE STORAGE & DISPENSING

Introducing the industry's most complete line of commercial refrigerated wine storage and serving equipment
Perlick®

According to experts, wine enthusiasts are demanding a wider variety of high-end, wine-by-the-glass choices from their favorite bars and restaurants.

Perlick's lineup of Wine Certified storage and serving products will help you capitalize on this growing trend in unique ways you won't see anywhere else in the industry.

To learn more, check out our new Wine Storage and Dispensing Guide to see our entire line of Wine Certifed products. Visit *perlick.com* to download a copy today.

WARRANTY INFORMATION

ONE YEAR PARTS & LABOR WARRANTY

Perlick products are guaranteed against defects in both material and workmanship for a period of one year from date of sale. Defective parts will be replaced on a no-charge basis when adjudged defective upon inspection. We are not responsible for parts damaged by alteration, unauthorized service, accident or abuse. Other costs incident to replacement, to include loss of sales and/or loss of product must be borne by the user. Warranty repairs will be performed during Perlick's authorized service agent's normal business hours. The user is responsible for any overtime premium associated with after-hours service. Also, Perlick is not responsible for travel charges that exceed one hour travel time. For further details of our Glasswasher warranty, refer to the Glasswasher Installation and Operation Instructions manual.

1. Parts returned to Perlick shall be returned freight prepaid and shall be identified with Perlick's serial number and return merchandise authorization number.
2. Improper operation due to voltage variances, inadequate wiring and physical damage is the responsibility of the purchaser. They are not manufacturing defects.
3. Condenser coils shall be cleaned regularly. Failure to provide an adequate flow of cooling air will void this warranty.
4. Factory-specified maintenance and installation will be provided by the selling dealer who shall also be responsible for the installation and set up of these products in accordance with local plumbing, refrigeration and electrical codes.

SECOND YEAR EXTENDED PARTS & LABOR WARRANTY

Perlick's one year parts and labor warranty can be extended to two years with the purchase of a two year parts and labor warranty. Visit perlick.com for more information on obtaining this protection.

FOUR YEAR ADDITIONAL COMPRESSOR WARRANTY (SELF-CONTAINED UNITS)

The Perlick Corporation will warrant to the original user the sealed-in mechanism consisting of the motor compressor and component parts within the sealed housing of the condensing unit for an additional period of four years following the regular one-year warranty period. This plan applies to the compressor only to the compressor only, installed within the United States and Canada.

Perlick's 1 year parts labor/service policy applies to the United States and Canada. It does not apply to refrigeration systems added by others (remote systems) or any part which has been subject to misuse, neglect, alteration, accident, or to any damage caused by transportation, flood, fire or other acts of God.

Perlick's 1 year parts & service/labor warranty provides that Perlick's registration card be completed and mailed within ten days after the date of installation. Failure to reply promptly could void Perlick's labor/service warranty.

EXPORT

One-year parts only.

For additional warranty information, terms and conditions, visit perlick.com.

Perlick®

"Build the best product you can. A poorly made product is expensive at any price. Do not listen to those who would have you build something cheaply. Be honest with yourself, your customers and your fellow man. Only a few black marks will soil a good reputation. Remember these things always."

- Robert Perlick, 1925

Perlick®
