PHILIPS

Highlights

Portable

Philips Hue Go is the most versatile light in your home. When plugged into a power outlet, use it to paint your walls with colored or white light. Unplug it from the power outlet and Philips Hue Go becomes a portable centerpiece you can carry to bring the best light for your activities. Powered by a rechargeable internal battery, it can last up to 3 hours. Also in portable mode, Philips Hue Go can be fully controlled with your smart device. The built-in smart battery management guarantees maximum usage. Although Philips Hue Go is not waterproof, it is designed to withstand high humidity.

On-product control

Control Philips Hue Go even without your smart device at hand. Activate light settings directly by pressing the button on the product. Choose from 7 different light effects: functional warm white light, cool energizing daylight, and 5 natural dynamic light effects that match your special moments. Or cycle through the color choices by quickly tapping and then holding the button until the desired color comes up. The fun really starts when you connect Philips Hue Go with the Bridge. Control Philips Hue Go from your smart device and discover the endless possibilities.

Natural dynamic effects

Enhance special moments with living light. Philips Hue Go has 5 patented natural dynamic effects: Cozy Candle, Sunday Coffee, Meditation, Enchanted Forest, and Night Adventure. Each dynamic effect has its own mix of colors to set the right mood.

Full control with Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilities of the system.

Be creative with colors
