Beardtrimmer series
1000

Beard trimmer

Stainless steel blades

DuraPower, 30min cordless use

USB charging

3 stubble and beard combs

BT1212/15

Durable consistent performance with DuraPower Self-sharpening stainless steel blades

The DuraPower technology ensures a long-lasting battery performance, while the self-sharpening stainless steel blades trim consistently as on day 1. This trimmer can also be charged with a micro-USB cable and runs for up to 30 minutes.

Trimming performance

- Stainless Steel Blades for long-lasting sharpness
- Choose beard lengths of 1-5-7mm or the zero trim look
- Skin-friendly blades for smooth skin

Easy to use

- DuraPower technology for a longer lasting battery life
- Up to 30 minutes of cordless use after 8 hours charging
- USB charging for convenient use
- Light on the device indicates when battery is charging
- Travel lock prevents trimmer from accidentally starting
- Detachable head for easy cleaning
- Ergonomic design for easier handling

Built to last

- 2 year guarantee, worldwide voltage, no oil needed

Highlights

Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective as on day 1.

DuraPower technology

The DuraPower technology lowers the friction on the blades, which protects the motor and the battery from being overloaded. This way, the battery life time of your trimmer is increased by 4 times.

30 min cordless use

Charge your trimmer for 8 hours with your USB cable to get 30 minutes of cordless use.

USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

Get any of the 4 looks

Use the 7 or 5mm comb to trim your long beard, the 1mm comb to create a 3-day stubble look or use your trimmer without a comb to have a zero trim.

Battery charging indicator

This trimmer comes with a battery charging indicator which lets you know with a green light that your device is charging.

Skin-friendly blades

Blades have rounded tips for smooth contact with skin to prevent scratching and irritation.

Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.
