Professional clipper

More performance, less bumps

The Philips Pro hair clipper is designed to give you a quality cut or shave. The strong steel blades, a durable, linear copper motor coil, extra long cord and various click-on combs are designed to give you a sharp cut, time after time.

Performance

- Durable, linear motor runs up to 4 times longer*
- Sharp blades for a close, precise cut

Built to last

- Strong steel blades last up to 4 times longer*
- 2-year guarantee

Precision and control

- Adjustable blades with close precision from 0.5mm to 3mm
- Textured handle for easy, non-slip grip
- Extra long 2.8 m cord
- Click-on hair combs for the best clipping results

Skin comfort

- Special designed tips of the blade for less cuts
- Special blades for less skin damage

Highlights

Durable linear motor

The Philips hair clipper is designed with a linear motor for constant, durable cutting power; performing up to 4 times longer*.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility.

Extra long cord

The extra long cord gives you a greater reach to easily move around while clipping.

Sharp blades

The sharpened, stainless steel blades cut the hair at skin level, giving a close cut.

Adjustable blades

With a convenient thumb lever adjustment the blades can be set to achieve a bold cut as well as stubble trim without using a comb. Additional combs will give you additional freedom to play with multiple hair styles.

Less cuts

The tips of the Philips blades are designed to reduce the risk of cuts while clipping your hair or beard.

Stainless steel blades

Philips Pro steel blades are designed to withstand chip and cracks, lasting up to 4 times longer*.

Non-slip grip

A smart textured handle for a comfortable grip.

Less bumps

The Philips clipper is designed to ensure less bumps while creating your own unique style. Making you feel proud and confident.
