- Cord storage

Philips - the light expert

- More than 15 million infrared lamps sold

PHILIPS

Highlights

Deep penetrating Infrared warmth

Infrared light has been proven to effectively relieve aches and pains caused by muscular pains and stiff joints. The comfortable warmth created by infrared light penetrates deep into your skin, stimulates blood circulation and warms your muscles. As your muscles are soothed, they automatically loosen up and relax. Because it makes the tissue more pliable, warmth also reduces stiffness and makes joints more flexible.

100 Watt infrared lamp

The 100 Watt Philips Infrared lamp has been optimised for relief of pains in areas covering 20 x 30 cm, such as a shoulder, an elbow, a calf, or the neck.

Adjustable angle

The infrared lamp can easily be positioned upto 40 degrees backwards.

Cord storage

The infrared lamp has a cord storage holder at the back of the appliance. Simply wrap the cord around it and it can easily be stored again.

Philips - the light expert

Philips is one of the global leading companies in light, with over 100 years of light experience. Globally Philips already sold more than 15 million of Infrared lamps.

Specifications

Easy storage

- Cord storage

Technical specifications

- Power: 100 W
- Voltage: 220/230 V
- Frequency: 50 Hz
- Cord length: 1.6 cm
- Insulation: Class II (double isolation)
- Type of lamps: R95, 100W
- Lifetime of lamp: 750 sessions of 10 minutes

Weight and dimensions

- Product dimensions: 20.0x12.0x16.0 (HxWxD) cm
- Product weight: 0.5 kg
- F-box dimensions: 21.1x12.6x19.2 (HxWxD) cm
- F-box weight: 1 kg
- No. of F-boxes in A-box: 6 pcs
- A-box dimensions: 22.4x26.2x58.8 (HxWxD) cm
- A-box weight: 3.1 kg
- Qnt. on Euro pallet: 288 pcs

Logistic data

- CTV code: 884361401000
- Country of origin: Germany

Safety

- IEC certified: In line with IEC 60335

Easy to use

- Adjustability: 0-40 degrees (backwards)
