PHILIPS

Highlights

Juice continuously for 30min

This juicer allows you to juice a great amount of fruits and vegetables, continuously for 30min. Thanks to the 1.5L jug serving all juice has never been easier.

Fine sieve for tasty juice

The sieve has been designed to filter the right amount of pulp into your juice. You can now enjoy a perfectly concentrated and tasty juice.

BPA Free

0% BPA

Ideal for soft fruits

Thanks to the gentle squeezing technology, you can make great tasting juice that gives you a high level of

nutrition values from soft fruits like tomatoes, pomegranate and grapes.

Drip stop

Always keep your kitchen counter clean even when you are done juicing. The drip stop prevents any juice from dripping on the table.

Robustly built

This silent and reliable motor will allow you to extract maximum juice from your fruits and vegetables. It is so strong that you can easily process the hard vegetables such as carrots and beetroots.

Quiet motor

This silent motor will allow you to use your juicer at any time of the day without disturbing the people around you.

Dishwasher-safe

For even easier and faster cleaning all removable parts can be safely cleaned in the dishwasher.
