Highlights

Keep updated for future device

Integrated learning keys allow you to copy and store any functionality from your original remote, simply by pointing and beaming.

Works with all your AV devices

Universal remote control which works with all your AV devices from all brands since 1990.

SimpleSetup

Set up your universal remote control fast and easily in a few simple steps thanks to the innovative SimpleSetup feature. Independent consumer research showed that more than 92% of consumers rated the new SimpleSetup method as 'good' or 'very good'. In contrast, the traditional setup method scores 59%. Advanced DVR/HD function

This remote includes all the standard buttons to operate your DVR/HD, along with T central, thumbs up/down, volume up/down and repeat.

LED illumination of main keys

LED illumination of primary keys allows you to easily operate your remote control even in the dark.

Fluorescent buttons

The buttons of the remote are fluorescent, making them glow in the dark which enables the operation of the remote in the dark.

Memorize setup codes

When you finish entering codes to set up your remote, these codes will be saved automatically, so you will not loose your data even when you replace the batteries.
