Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

40 minutes of cordless shaving

You'll have 40+ minutes of running time – that's about 13 shaves – on a one-hour charge. This shaver only operates in cordless mode.

1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

SmartClick cleansing brush

Click on our cleansing brush to clean your face more thoroughly than you can by hand. Use it with the cleanser of your choice. It removes dead skin cells and increases micro-circulation, leaving your skin feeling fresh and radiant.

LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 1-level Battery Indicator - Battery Low Indicator - Travel Lock Indicator
