	About Bluetooth device	10

# 1 Important

- Read these instructions.
- Heed all warnings.
- Follow all instructions.
- Do not use this apparatus near water.
- Do not block any ventilation openings.  
Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- Apparatus shall not be exposed to dripping or splashing.
- Do not place any sources of danger on the apparatus (e.g. liquid filled objects, lighted candles).
- Where the plug of the Direct Plug-in Adapter is used as the disconnect device, the disconnect device shall remain readily operable.

## Warning

- Never remove the casing of this apparatus.
- Never place this apparatus on other electrical equipment.
- Ensure that you always have easy access to the power cord, plug or adaptor to disconnect the apparatus from the power.

## 2 Notice

Any changes or modifications made to this device that are not expressly approved by Philips Consumer Lifestyle may void the user's authority to operate the equipment.

"Made for iPod" and "Made for iPhone" mean that an electronic accessory has been designed to connect specifically to iPod or iPhone respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod or iPhone may affect wireless performance. iPod and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

---

## Recycling

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused. When you see the crossed-out wheel bin symbol attached to a product, it means the product is covered by the European Directive 2002/96/EC:

Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products. The correct

disposal of your old product helps prevent potentially negative consequences on the environment and human health.

### Environmental information

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)

Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, exhausted batteries and old equipment.

# 3 Your Docking Speaker

Congratulations on your purchase, and welcome to Philips! To fully benefit from the support that Philips offers, register your product at [www.philips.com/welcome](http://www.philips.com/welcome).

If you contact Philips, you will be asked for the model and serial number of this apparatus. The model number and serial number are on the bottom of the apparatus. Write the numbers here:

Model No. \_\_\_\_\_

Serial No. \_\_\_\_\_

---

## Introduction

With this docking speaker, you can enjoy audio from the iPod/iPhone, Bluetooth devices, and other external audio devices.

---

## What's in the box

Check and identify the contents of your package:

- Main unit
- AC power adaptor
- Quick start guide

---

## Overview of the main unit

- ①  Mute or unmute sound.
- ② Dock for the iPod/iPhone
- ③  Enable or disable Bluetooth function.
- ④ + / - Adjust volume.
- ⑤ MP3-LINK
  - Connect an external audio device.
- ⑥ DC IN
  - Connect power.

# 4 Get started

Always follow the instructions in this chapter in sequence.

---

## Connect power

### Caution

- Risk of product damage! Make sure that the power supply voltage matches the voltage printed on the bottom of the unit.
- Risk of electric shock! When you unplug the AC adaptor, always pull the plug from the socket. Never pull the cord.

### Note

- The type plate is located at the back of the main unit.

Connect the power adaptor to:

- the **DC IN** socket at the back of the docking speaker.
- the wall outlet.

# 5 Play

---

## Play from iPod/iPhone

You can enjoy audio from your iPod/iPhone through this docking speaker.

---

### Compatible iPod/iPhone

The docking speaker supports the following iPod and iPhone models:

Made for:

- iPod touch (1st, 2nd, 3rd, and 4th generation)
- iPod classic
- iPod nano (1st, 2nd, 3rd, 4th, 5th, and 6th generation)
- iPhone 4S
- iPhone 4
- iPhone 3GS
- iPhone 3G
- iPhone

---

### Listen to the iPod/iPhone

- 1 Place an iPod/iPhone in the dock.
- 2 Play audio from the iPod/iPhone.

**To remove the iPod/iPhone:**

Pull the iPod/iPhone out of the dock.

---

## Charge the iPod/iPhone

When the docking speaker is connected to power, the docked iPod/iPhone begins to charge automatically.

---

## Play from Bluetooth device

---

### Pair with Bluetooth devices

#### Note

- Before you connect a Bluetooth device to this docking speaker, familiarize yourself with the Bluetooth capabilities of the device.
- The effective operational range between the docking system and the paired device is approximately 10 meters.
- Any obstacle between the docking speaker and the paired device can reduce the operational range.

- 1 Press **⌘** to select Bluetooth source.  
↳ The Bluetooth button blinks.
- 2 Turn on Bluetooth function on your device.
  - Different devices may have different way to activate Bluetooth.
- 3 Scan Bluetooth devices that can pair with your device.
- 4 When **"AD530"** is displayed on your device, select it to start connection.  
↳ If connection is successful, you will hear double beep confirmation tone, and the Bluetooth button stops flashing.  
↳ A different Bluetooth icon is displayed on your device.

- 5 Play audio on your device.  
↳ Audio streams from your device to the docking speaker.

#### Tip

- If your Bluetooth device has been paired with this speaker before, you just need to find out "AD530" on your Bluetooth menu, then confirm the connection.

#### To disconnect Bluetooth:

- Press  on the docking speaker again.
- Deactivate Bluetooth function on your device; or
- Move the device beyond the communication range.

---

## Play from an external audio device

With this docking speaker, you can also enjoy audio from an external device such as an MP3 player.

### Note

- Make sure that no iPod/iPhone is docked in the docking speaker:

- 1 Connect an MP3 link cable (not supplied) to:
  - the **MP3-LINK** socket at the back of the docking speaker;
  - the headphone socket on an external device.↳ The docking speaker switches to MP3 link mode automatically.
- 2 Play music on the device (see the device's user manual).

---

## Adjust volume

During play, press + / - to adjust volume.

---

## Mute sound

During play, press  to mute or unmute sound.

# 6 Product information

Weight	
- Main Unit	0.9 kg

---

## Note

- Product information is subject to change without prior notice.

---

## Specifications

---

### Amplifier

---

Total Output Power	4 W per channel x 2
Signal to Noise Ratio	> 62 dBA
MP3 Link	650 mV RMS

---

---

### Bluetooth

---

Standard	Bluetooth Standard Version 2.1+EDR
Output power	4 dBm (Class 2)
Frequency band	2.402 ~ 2.480 GHzISM Band
Range	10 m (free space)

---

---

### General information

---

AC Power	Model: AS110-080- AM130 (Philips); Input: 100-240 V ~ 50/60Hz, 0.5A; Output: 8 V === 1.3 A
Operation Power Consumption	15 W
Standby Power Consumption	<0.5 W
Max. load for iPod/ iPhone	5 V === 1 A

---

# 7 Troubleshooting

## Warning

- Never remove the casing of this device.

To keep the warranty valid, never try to repair the system yourself.

If you encounter problems when using this device, check the following points before requesting service. If the problem remains unsolved, go to the Philips Web page ([www.philips.com/support](http://www.philips.com/support)). When you contact Philips, make sure that the device is nearby and the model number and serial number are available.

### No power

- Ensure that the AC power plug of the unit is connected properly.
- Ensure that there is power at the AC outlet.

### No sound

- Adjust the volume.

### No response from the unit

- Disconnect and reconnect the AC power plug, then turn on the unit again.

---

## About Bluetooth device

**Music playback is unavailable on the system even after successful Bluetooth connection.**

- The device cannot be used with the system to play music.

**The audio quality is poor after connection with a Bluetooth-enabled device.**

- The Bluetooth reception is poor. Move the device closer to the system or remove any obstacle between the device and the system.

**Cannot connect with the system.**

- The device does not support the profiles required for the system.

- The Bluetooth function of the device is not enabled. Refer to the user manual of the device for how to enable the function.
- The system is not in the pairing mode.
- The system is already connected with another Bluetooth-enabled device. Disconnect that device or all other connected devices and then try again.

**The paired device connects and disconnects constantly.**

- The Bluetooth reception is poor. Move the device closer to the system or remove any obstacle between the device and the system.
- For some devices, the Bluetooth connection may be deactivated automatically as a power-saving feature. This does not indicate any malfunction of the system.

sense and simplicity

**Philips Electronics Australia Limited and Philips New Zealand Limited  
Warranty against Defects**

In this warranty:

**We** or **us** means Philips Electronics Australia Limited ACN 008 445 743 or Philips New Zealand Limited (Company Number 1723), and our contact details are set out at the end of this warranty;

**You** means the purchaser or the original end-user of the Goods;

**Supplier** means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or New Zealand; and

**Goods** means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand.

If you require assistance with the operation of the product, its features or specifications please call the Philips Consumer Care Centre on 1300 363 391 in Australia or 0800 658 224 in New Zealand.

**Australia:** Our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This is not a complete statement of your legal rights as a consumer.

**New Zealand:** Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to the conditions and guarantees implied by that legislation.

**Additional Warranty:**

In addition to the rights and remedies that you have under the Australian Consumer Law, Consumer Guarantees Act of New Zealand or any other applicable law, we provide the following warranty against defects:

1. If, during the first 12 months from their date of purchase from the Supplier (**Warranty Period**), the Goods prove defective by reason of improper workmanship or materials and none of your statutory rights or remedies apply, we will repair or replace the Goods without charge.
2. We do not have to repair or replace the Goods under this Additional Warranty if the Goods have been used for a commercial purpose; misused, improperly or inappropriately installed, operated or repaired; abused; damaged; or not maintained in accordance with the manufacturer's instructions.
3. Even when we do not have to repair or replace the Goods, we may decide to do so anyway. In some cases, we may decide to substitute the Goods with a similar alternative product of our choosing. All such decisions are at our absolute discretion.
4. All such repaired, replaced or substituted Goods continue to receive the benefit of this Additional Warranty for the time remaining on the original Warranty Period.
5. This Additional Warranty is limited to repair, replacement or substitution only. As far as the law permits, we will not be liable for any loss or damage caused to property or persons arising from any cause whatsoever.
6. In order to claim under this Additional Warranty you must telephone us on 1300 363 391 in Australia or 0800 658 224 in New Zealand within the Warranty Period. You will be asked for details of the Goods, a description of the defect and your personal details. Upon accepting your claim, we shall assist you with either returning the Goods to the Supplier for replacement or to the most convenient Philips Authorised Service Centre for your Goods to be repaired. In some case we may require that you return to the Goods to us (at the address below) for repair, replacement or substitution.
  - \* All returned Goods must be accompanied by satisfactory proof of purchase which clearly indicates the name and address of the Supplier, the date and place of purchase and identifies product. It is best to provide a legible and unmodified receipt or sales invoice.
  - \* You must bear any expense for return of the Goods or otherwise associated with making your claim under this Additional Warranty.
7. This warranty is only valid and enforceable in Australia and New Zealand.

Contact us or the place of purchase for further details.
