Get the most out of your shaver

- Perfect for trimming your sideburns and moustache

Highlights

Skin Protection System

Shave close without nicks and cuts. Our GentleCut Blade System with rounded head profile glides smoothly across, while protecting your skin.

GentleCut Blade System

Gently cut just above skin level for smooth skin.

4-direction Flex Heads

Flex heads with 4 independent movements adjust to every curve of your face, giving you an easy shave even on the neck and jawline.

Aquatec wet and dry

The Aquatec seal on the shaver makes it 100% waterproof. Use it in the shower with your favourite shaving gel or foam for extra skin protection. Naturally, you can also shave dry

for convenience. When you have finished, simply pop the heads open and rinse under the tap to easily clean your shaver.

Li-ion power

Shave for longer with every charge. Your shaver will keep going as strongly as ever for years, thanks to our powerful and efficient lithium-ion battery.

45 minutes of cordless shaving

You'll have 45+ minutes of running time—that's about 15 shaves—on an eight-hour charge. This shaver only operates in cordless mode.

Cordless use

This shaver is designed to operate only in cordless mode. Always unplug it before shaving.

Fully waterproof

With QuickRinse system to clean under the tap and can be used under the shower.

Pop-up trimmer

Complete your look by using the pop-up trimmer. Perfect for maintaining a moustache and trimming sideburns.
