### General

- Material High temperature resistant plastic
- Weight 0.375 lbs (excluding batteries)
- Product dimensions 5.39" D x 5.39" W x 0.83" H
- Clamshell dimensions 2.63" D x 9.4" W x 10.5" H
- Master carton dimensions 10.7" D x 9.9" W x 10.5" H
- Package weight 3.75 lbs
- Master carton quantity 3
- Country of origin China
- Warranty 12 months OTC exchange

### Accessories

- Neckband headphone

### 45-second Electronic skip protection

Electronic skip protection detects shocks automatically and allows music play continuously with 45-second music buffer.

### 33-hour playback (2 x AA Alkaline batteries)

Powersaving technology extends battery playing time to 33 hours with two regular LR6-size (AA) alkaline batteries.

### Digital dynamic bass boost

Enhances bass at low, mid and high volume, to give deep, rich sounds.

### CD-Rewritable compatible

Ensures that both CD-Recordable and CD-Rewritable discs, made by any CD-Recorder, can be played.

### All CD program modes

Lets you enjoy various CD program modes (repeat one/ repeat all/ shuffle/ repeat shuffle/ introscan).

### Heat resistant body

Unique composite material enables the CD player to withstand very high temperature.

### 1-Bit D/A converter

Advanced digital conversion technology ensures crystal-clear sound.

### Hold

Locks all buttons to prevent interruption of play or change of program settings.

### Resume

Bookmark function that ensures the CD starts precisely from the point it was stopped.

### Automatic power off

Automatically switches off the CD player at the end of a compact disc.

### CD next/ previous

Plays the next or previous track at the touch of a button.

### CD music search

Searches the CD at high speed while still producing low-volume sound so you know exactly when to stop.

### Repeat one/ all

Repeat the current track or the total CD.

### Shuffle

Plays disc selection randomly, giving you each time a new sequence of tracks.

### 30-track programmable

Stores up to 30 of your favorite tracks for playing back in your order of preference.

### Audible feedback

Confirms any key-push with friendly beep to acknowledge that a command has been given.
