GC8755/86

Ultra-fast ironing

with powerful continuous steam

Philips PerfectCare Performer steam generator iron ensures a true simple, powerful, and no burn ironing experience. The powerful continuous steam penetrates deeply and continuously into the fibre to remove creases easily.

No temperature setting needed, guaranteed no burn

- Iron jeans to silk, no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board
- Tested and approved by independent textile experts

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Integrated easy clean system for long-lasting performance
- Philips best gliding with increased scratch resistance
- Save energy with ECO mode

Extra convenience

- Lightweight steam generator for easier handling
- Large detachable water tank for easy refilling
- Safe and secure carry lock
- Automatic switch off for safety and energy saving
- Enjoy powerful ironing with minimum noise

PHILIPS

Highlights

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron fabrics from jeans to silk, with guaranteed no burns thanks to the perfect combination of temperature and continuous powerful steam.

Safe rest

Innovative OptimalTEMP technology guarantees no burn on all ironable fabrics. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often

Tested and approved

This iron is tested and approved by independent textile expert institutes such as DWI, IWTO and Woolmark, for its excellent ironing performance. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology is so far the only ironing brand able to be certified with the Gold standard from Woolmark. You can be confident that our Woolmark-approved apparel care products are ideally suited for any wool garments.

Ultra powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even rough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

Smart Calc clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected, your steam generator will beep once it's done and ready to use again.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Steam generator iron

Max 6.5 bar pump pressure Up to 450 g steam boost, 1.8 L water tank capacity, with detachable water tank

Specifications

Technology

- For all ironable fabrics
- No burn
- OptimalTEMP Technology
- ProVelocity steam engine
- Smart Control Processor
- Quiet pump

Fast crease removal

- Continuous steam: Up to 120 g/min
- Power: 2600 W
- Pressure: Max 6.5 bar pump
- Ready to use: 2 min
- Steam boost: Up to 450 g
- Steam-on-demand
- Variable steam levels
- Vertical steam

Easy to use

- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Plus
- Detachable water tank
- Hose length: 1.6 m
- Power cord length: 1.8 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Refill any time during use
- Safety auto off

- Soft grip
- Soleplate scratch resistance: 4 stars

Scale management

- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, Yes

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix, Yes
- Hose storage: Hose storage compartment

Size and weight

- Packaging dimensions (WxHxL): 24.6 x 33.5 x 44.9 cm
- Product dimensions (WxHxL): 22 x 24 x 37 cm
- Weight of iron: 1.22 kg
- Weight of iron + base: 3.2 kg

Guarantee

- 2 year worldwide guarantee

Green efficiency

- Energy saving mode
- Product packaging: 100% recyclable
- User manual: 100% recycled paper

Design

- Color: Black copper
