**Declaration of Conformity with regard to the R&TTE Directive 1999/5/EC**

Manufacturer:

**PIONEER CORPORATION**

1-1, Shin-ogura, Saiwai-ku, Kawasaki-shi,  
Kanagawa 212-0031, JAPAN

EU Representative's:

**Pioneer Europe NV**

Haven 1087, Keetberglaan 1,  
B-9120 Melsele, Belgium/Belgique

<http://www.pioneer.eu>

English:

Hereby, Pioneer, declares that this SGX-CA900 is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

Suomi:

Pioneer vakuuttaa täten että SGX-CA900 tyyppinen laite on direktiivin 1999/5/EY oleellisten vaatimusten ja sitä koskevien direktiivin muiden ehtojen mukainen.

Nederlands:

Hierbij verklaart Pioneer dat het toestel SGX-CA900 in overeenstemming is met de essentiële eisen en de andere relevante bepalingen van richtlijn 1999/5/EG

Français:

Par la présente Pioneer déclare que l'appareil SGX-CA900 est conforme aux exigences essentielles et aux autres dispositions pertinentes de la directive 1999/5/CE

Svenska:

Härmed intygar Pioneer att denna SGX-CA900 står i överensstämmelse med de väsentliga egenskapskrav och övriga relevanta bestämmelser som framgår av direktiv 1999/5/EG.

Dansk:

Undertegnede Pioneer erklærer herved, at følgende udstyr SGX-CA900 overholder de væsentlige krav og øvrige relevante krav i direktiv 1999/5/EF

Deutsch:

Hiermit erklärt Pioneer, dass sich dieses SGX-CA900 in Übereinstimmung mit den grundlegenden Anforderungen und den anderen relevanten Vorschriften der Richtlinie 1999/5/EG befindet". (BMW i)

Ελληνικά:

ΜΕ ΤΗΝ ΠΑΡΟΥΣΑ Pioneer ΔΗΛΩΝΕΙ ΟΤΙ SGX-CA900 ΣΥΜΜΟΡΦΩΝΕΤΑΙ ΠΡΟΣ ΤΙΣ ΟΥΣΙΩΔΕΙΣ ΑΠΑΙΤΗΣΕΙΣ ΚΑΙ ΤΙΣ ΛΟΙΠΕΣ ΣΧΕΤΙΚΕΣ ΔΙΑΤΑΞΕΙΣ ΤΗΣ ΟΔΗΓΙΑΣ 1999/5/EK

Italiano:

Con la presente Pioneer dichiara che questo SGX-CA900 è conforme ai requisiti essenziali ed alle altre disposizioni pertinenti stabilite dalla direttiva 1999/5/CE.

Español:

Por medio de la presente Pioneer declara que el SGX-CA900 cumple con los requisitos esenciales y cualesquiera otras disposiciones aplicables o exigibles de la Directiva 1999/5/CE

Português:

Pioneer declara que este SGX-CA900 está conforme com os requisitos essenciais e outras disposições da Directiva 1999/5/CE.

Čeština:

Pioneer tímto prohlašuje, že tento SGX-CA900 je ve shodě se základními požadavky a dalšími příslušnými ustanoveními směrnice 1999/5/ES

Eesti:

Käesolevaga kinnitab Pioneer seadme SGX-CA900 vastavust direktiivi 1999/5/EÜ põhinõuetele ja nimetatud direktiivist tulenevatele teistele asjakohastele sätetele.

Magyar:

Alulírott, Pioneer nyilatkozom, hogy a SGX-CA900 megfelel a vonatkozó alapvető követelményeknek és az 1999/5/EC irányelv egyéb előírásainak.

Latviešu valoda:

Ar šo Pioneer deklarē, ka SGX-CA900 atbilst Direktīvas 1999/5/EK būtiskajām prasībām un citiem ar to saistītajiem noteikumiem.

Lietuvių kalba:

Šiuo Pioneer deklaruoja, kad šis SGX-CA900 atitinka esminius reikalavimus ir kitas 1999/5/EB Direktyvos nuostatas.

Malti:

Hawnhekk, Pioneer jiddikjara li dan SGX-CA900 jikkonforma mal-ħtiġijiet essenżjali u ma provvedimenti oħrajn relevanti li hemm fid-Dirrettiva 1999/5/EC

Slovenčina:

Pioneer týmto vyhlasuje, že SGX-CA900 spĺňa základné požiadavky a všetky príslušné ustanovenia Smernice 1999/5/ES.

Slovenščina:

Pioneer izjavlja, da je ta SGX-CA900 v skladu z bistvenimi zahtevami in ostalimi relevantnimi določili direktive 1999/5/ES.

Română:

Prin prezenta, Pioneer declara ca acest SGX-CA900 este in conformitate cu cerintele esentiale si alte prevederi ale Directivei 1999/5/EU.

български:

С настоящето, Pioneer декларира, че този SGX-CA900 отговаря на основните изисквания и други съответни постановления на Директива 1999/5/EC.

Polski:

Niniejszym Pioneer oświadcza, że SGX-CA900 jest zgodny z zasadniczymi wymogami oraz pozostałymi stosownymi postanowieniami Dyrektywy 1999/5/EC

Norsk:

Pioneer erklærer herved at utstyret SGX-CA900 er i samsvar med de grunnleggende krav og øvrige relevante krav i direktiv 1999/5/EF.

Íslenska:

Hér með lýsir Pioneer yfir því að SGX-CA900 er í samræmi við grunnkröfur og aðrar kröfur, sem gerðar eru í tilskipun 1999/5/EC

Hrvatski:

Ovime tvrtka Pioneer izjavluje da je SGX-CA900 u skladu osnovnim zahtjevima i ostalim odredbama Direktive 1999/5/EC.

# Important Safety Information

Pioneer Cyclocomputer is not a medical device and is designed to represent data derived from ANT+ sensors including heart rate sensors.

English

## WARNING

- Always consult your physician before beginning or modifying your exercise routine. If you have a pacemaker or other implanted electronic device, consult your physician before using a heart rate sensor.
- The device and other Pioneer accessories are consumer devices, not medical devices, and could suffer from interference from external electrical sources. Heart rate readings are for reference only, and Pioneer accepts no responsibility for the consequences of any erroneous readings.

## WARNING

Follow these guidelines as well to ensure safe Cycling:

- Always use your best judgement, and operate your bicycle in a safe manner. Do not become distracted by the device while riding, and always be fully aware of your surroundings. Minimize the amount of time spent viewing the device screen while riding.
- While riding, never attempt to adjust settings or access functions that require more than a quick glance. Pull over and come to a complete stop in a safe location off the road before making settings or adjustments.
- Do not use the device location information for guidance to emergency facilities or mountain climbing. The location information may be different from the actual location. It can cause an accident or a distress due to the location information difference.

## Important Safety Information

---

English

- Install the device securely. If you do not install it to the bracket securely, it can cause an accident or injury due to unexpected detachment. Make sure that the device is installed securely.
- Install the bracket securely. If you do not install it to the handlebars securely according to Quick Start Guide or User's Guide (online manual), it can cause an accident or injury due to unexpected detachment.
- The bracket accommodates handlebars that are 31.8 mm in diameter only. Do not install the bracket to other sized handlebars as it can cause an accident or injury due to unexpected detachment.
- Install the device properly with the parts that came with the device. If you use other parts, it can cause an accident since you can not fix the device securely.
- Do not install the device to an area that disturbs riding operations or moving parts. It can cause an accident. Make sure that you can operate the handlebars and brakes properly.
- The device may be damaged while you are riding in a race or while riding on cobbled streets or other rough roads.
- Do not leave the device on your bicycle. If you leave the device in the places that are exposed to direct sunlight, high temperature, high humidity, or a lot of dust, it can cause the injury due to the internal battery leak or burst.
- Do not wash the device with high-pressure water sprayers as water may penetrate the device causing it to malfunction.

### WARNING

Store small parts out of the reach of children and infants. If accidentally swallowed, contact a doctor immediately.

### Radio Wave Caution

- This unit uses a 2.4 GHz radio wave frequency, which is a band used by other wireless systems (Microwave ovens and Cordless phones, etc.). In this event noise appears in your television image, there is the possibility this unit (including products supported by this unit) is causing signal interference with the antenna input connector of your television, video, satellite tuner, etc. In this event, increase the distance between the antenna input connector and this unit (including products supported by this unit).

## [For American Users]

### IMPORTANT NOTICE

THE MODEL NUMBER AND SERIAL NUMBER OF THIS EQUIPMENT ARE ON THE BOTTOM.

KEEP WARRANTY CARD IN A SAFE PLACE FOR FUTURE REFERENCE.

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

### NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## FCC Part 15.19 warning statement

Important Safety Information

English

### FEDERAL COMMUNICATIONS COMMISSION DECLARATION OF CONFORMITY

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This Equipment may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Product Name: Cyclocomputer

Model Number: SGX-CA900

Responsible Party Name: PIONEER ELECTRONICS (USA) INC.  
SERVICE SUPPORT DIVISION

Address: 1925 E. DOMINGUEZ ST. LONG BEACH, CA 90810-1003, U.S.A.

Phone: 1-800-421-1404

URL: <http://www.pioneerelectronics.com>

### FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines in Supplement C to OET65. This equipment has very low levels of RF energy that are deemed to comply without testing of specific absorption ratio (SAR).

### Information to User

Alterations or modifications carried out without appropriate authorization may invalidate the user's right to operate the equipment.

**WARNING:** Handling the cord on this product or cords associated with accessories sold with the product may expose you to chemicals listed on proposition 65 known to the State of California and other governmental entities to cause cancer and birth defect or other reproductive harm.

***Wash hands after handling.***

## [For Canadian Users]

This Class B digital apparatus complies with Canadian ICES-003.  
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment and meets RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment has very low levels of RF energy that are deemed to comply without testing of specific absorption ratio (SAR).

Cet équipement est conforme aux limites d'exposition aux rayonnements énoncées pour un environnement non contrôlé et respecte les règles d'exposition aux fréquences radioélectriques (RF) CNR-102 de l'IC. Cet équipement émet une énergie RF très faible qui est considérée conforme sans évaluation du débit d'absorption spécifique (DAS).

The ANT+ antenna cannot be removed (or replaced) by user.  
L'antenne ANT+ ne peut pas être supprimé (ou remplacé) par l'utilisateur.

## [For American Users, Canadian Users]

When disposing of used batteries, please comply with governmental regulations or environmental public institution's rules that apply in your country/area.

## [For European Users]

### Information for users on collection and disposal of old equipment and used batteries

( Symbol for equipment )

These symbols on the products, packaging, and/or accompanying documents mean that used electrical and electronic products and batteries should not be mixed with general household waste.

For proper treatment, recovery and recycling of old products and used batteries, please take them to applicable collection points in accordance with your national legislation.

( Symbol examples for batteries )

By disposing of these products and batteries correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling.

For more information about collection and recycling of old products and batteries, please contact your local municipality, your waste disposal service or the point of sale where you purchased the items.

**These symbols are only valid in the European Union.**

**For countries outside the European Union:**

If you wish to discard these items, please contact your local authorities or dealer and ask for the correct method of disposal.

## Operating Environment

Operating environment temperature and humidity:

-10 °C to +50 °C (+14 °F to +122 °F); less than 85 %RH (cooling vents not blocked)

Do not install this unit in a poorly ventilated area, or in locations exposed to high humidity or direct sunlight (or strong artificial light)

English

# Before Use (Important)

English

## Safety Precautions

### DANGER

#### About the Device

**Please follow the instructions noted. Failure to do so may cause the internal lithium-ion battery to leak, overheat, ignite, or rupture.**

- Do not attempt to disassemble the battery or alter it in any way.
  - Do not throw the device, strike it with a hammer or other object, or drive nails into it.
  - Do not use or leave the device in places where it will be exposed to high temperatures, such as near a stove or inside a closed automobile.
  - In the event that the internal lithium-ion battery leaks fluid and the fluid contacts your eyes, do not rub them, but rinse with copious amounts of clean water and seek immediate medical treatment.  
Your eyes may be seriously harmed by exposure to such battery fluid.
  - Do not allow the battery to be immersed in fresh or sea water, or become otherwise wet.
- Do not recharge the battery near a fire.
  - Do not recharge the battery using any method other than as instructed. **The battery used in this device may present a risk of fire, explosion or chemical burn if mistreated.**
  - Never disassemble the unit or attempt to remove battery as that could cause leakage of electrolytic substance.
  - Never use the device in an unventilated vehicle where excessive internal temperatures may be encountered.
  - Always keep the device out of the reach of infants and small children.

**WARNING****About the Device**

- Do not use the device if it emits an unusual odor, heats up, changes color or shape, or if any other abnormalities occur during use, while recharging or while placed in storage.
- If the lithium-ion battery does not recharge completely, even after exceeding the specified time, stop recharging. Failure to do so could cause the device to heat up, rupture, or ignite.
- Recharge the lithium-ion battery in an environment with a temperature between 0 °C (32 °F) and 40°C (104°F).  
Recharging the lithium-ion battery under different temperatures could cause the device to heat up, rupture, or ignite, and may also deteriorate the performance and the life of the lithium-ion battery.
- Do not place the device in a microwave oven or expose it to high pressure, since the device may overheat, rupture, or ignite.

- Do not place a leaking lithium-ion battery near a source of heat or fire, since the lithium-ion battery could overheat, rupture, or ignite.

This device uses an internal rechargeable lithium ion battery that should last the lifetime of the device. If you suspect your battery may be dead, try charging it several times. If the battery does not recharge, please contact us for repair information.

**WARNING/DISPOSAL OF UNIT  
[For American Users, Canadian Users]**

Please do NOT attempt to change the battery yourself. If the battery has died and you do not want us to replace your battery, you should follow the disposal instructions below:

- Never dispose of used batteries/electronics with ordinary solid wastes, since they contain toxic substances.
- Do not dispose of the device in fire or water since the rechargeable lithium-ion battery could rupture or leak battery fluid resulting in fire or personal injury.

- Always dispose of used batteries/electronics in accordance with the prevailing community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning battery/electronics disposal, please dispose of the device in a waste bin for electronic devices.
- Many electronics retailers now recycle batteries and other electronic components at no charge. Check to see which ones in your area do so.

 **CAUTION**

**About Water-resistance**

**Observe the following precautions in regard to the device's water-resistant.**

- Do not place the unit in water.
- Do not expose the unit to a large amount of water.
- Do not splash the unit with water.
- Do not expose to rain for long periods of time.
- Do not pour or place in warm water or water containing soap or detergent.
- Do not use in a humid environment such as a bathroom.
- Do not use on or near the beach. This could cause rust. If exposed to seawater, thoroughly wipe off the moisture immediately with a dry cloth.

- **Ensure that the USB connector cover is closed during use.**  
The rubber packing on the cover makes the device water-resistant. Make sure this packing does not get soiled or damaged.  
If the rubber packing becomes soiled, wipe it clean with a dry, clean cloth.
- **Do not open the USB connector cover in humid environments in which the device could get exposed to water.**
- **If the device is exposed to a large amount of water or moisture, immediately wipe it down with a dry cloth.**  
Only open or close the USB connector cover after having completely wiped off any moisture around them, with dry hands and in an environment where the unit would not get exposed to water again.
- **If the device gets exposed to water, thoroughly dry all of the crevices on the unit's body into which water might have reached.**

This unit has been designed with water-resistance equivalent to standards IPX6(\*) as defined by the International Electrotechnical Commission (IEC).

Malfunctions due to water damage caused by improper use are not covered by the product warranty, even if they occur within the warranty period.

- **Depending on conditions of use, the water-resistant features are not necessarily guaranteed even during the warranty period.**

\* IPX6: Protection against strong jet of water

### About the Device

Loss of data due to trouble, accidents, or malfunctions of the device is not covered by any warranty.
