Bluetooth Mini Phone BT-Phone01

User Manual

Thank you for purchasing this Bluetooth Mini Phone. This device allows you to make and answer calls without touching your larger Bluetooth mobile phone. It has the same basic functions as mobile phone, such as Phone book, Call records, Password setting and so on.

To obtain best performance of this Mini Phone, please read this user manual carefully before using it. Also read the user guide of your mobile phone, which provides important safety and maintenance information.

Bluetooth wireless technology makes it possible to connect compatible communication devices without using cables. A Bluetooth connection does not require the devices to be in line of sight, but both devices should be within 10 meters (30feet) of each other. Connections can be subject to interference from obstructions.

There may be restrictions on using Bluetooth technology in some locations .Check with your local authorities or service provider.

* may vary due to the user's habit, different modes of operation, and mobile phone settings.

Factory Reset

You may reset BT-PHONE01 to its default settings. Resetting will also remove the pairing history of your Bluetooth Mini Phone with the mobile phone.

1. Keep BT-PHONE01 in "power on" mode
2. Remove the Bluetooth® connection to BT-PHONE01 on your phone or other devices
3. Hold the button of "Volume up", "Volume down" and "MFB" simultaneously
4. Bluetooth Mini Phone will restart by flashing blue 3 times then goes into paring mode automatically.

Bluetooth Bluetooth Mini Phone is designed to work with Alcatel Bluetooth devices. Due to large variability between different Bluetooth devices from different manufacturers, interoperability between the Bluetooth Mini Phone and non-Alcatel Bluetooth-enabled products is not guaranteed.

Troubleshooting

I can hear crackling noise.
To receive the best audio quality, it is recommended to wear your Bluetooth Mini Phone on the same side of the body as your mobile phone.
I can't hear anything in my Bluetooth Mini Phone.
- Ensure the Bluetooth Mini Phone is turned on and is properly charged.
- Ensure the Bluetooth Mini Phone is properly paired with the mobile phone.
- Ensure that the mobile phone is connected with the Bluetooth Mini Phone – if it does not connect, either refer to the mobile phone's Bluetooth menu or by pressing the MFB once (see "Using Your Bluetooth Mini Phone" and "Pairing Your Bluetooth Mini Phone with a Bluetooth Mobile Phone").

I can't connect my Bluetooth Mini Phone with my mobile phone.
- Ensure your Bluetooth Mini Phone is turned off and is properly charged.
- Ensure the Bluetooth Mini Phone is properly paired with your mobile phone.
- Ensure your mobile phone's Bluetooth feature is activated. Please refer to your mobile phone user guide for specific instruction.
- Ensure the Bluetooth Mini Phone is within ten meters range of your mobile phone and there are no obstructions, such as walls or other electronic devices in between.

If the above steps do not solve your problem, please recharge the Bluetooth Mini Phone and remove your mobile phone's battery for a while.

Safety Information

- Check and observe local laws regarding the use of a mobile phone and a Bluetooth Mini Phone while driving. If you use the Bluetooth Mini Phone while driving, ensure your full attention and focus. It is your responsibility to drive safely. Consider to pull off the road before making or answering a call.
- Never leave your Bluetooth Mini Phone above any air bag deployment area inside your car as serious injury may result when an air bag deploys.

- Never allow children to play with the Bluetooth Mini Phone – small parts may be of choking hazard.
- Observe all signs and displays that require an electrical device or RF radio product to be switched off in designated areas. These could include hospitals, blasting areas, and potentially explosive atmospheres.
- Turn off your Bluetooth Mini Phone prior to boarding an aircraft. Do not use your Bluetooth Mini Phone inside an aircraft.
- •To prevent damage to your hearing, please do not set the listening volume too high.
- Do not attempt to modify the Bluetooth Mini Phone.
- Do not keep the Bluetooth Mini Phone near a wash basin or other wet places.
- Do not use the Bluetooth Mini Phone outdoors in the rain.
- Do not use the Bluetooth Mini Phone in stormy weather.
- Do not clean the Bluetooth Mini Phone while it is being charged. Always disconnect the charger from the Bluetooth Mini Phone before cleaning.
- Do not attempt to force open the built-in battery.
- Only charge the Bluetooth Mini Phone's built-in battery in accordance with the instructions described in this user guide.
- Excessive sound pressure may harm your hearing.

Declaration of Conformity

Hereby, TCT Mobile Limited, declares that this product is in conformity with the following essential requirements of Council Directive 1999/5/EC (referredto as R&TTE Directive): Article 3.1a, 3.1.

Federal Communications Commission (FCC) Statement

BT-PHONE01 complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

Guarantee

Your accessory is guaranteed against all manufacturing defects for six (6) months from the date of purchase shown on your invoice. Nevertheless, if the legal warranty period in force in your country exceeds six (6) months, the legal warranty alone shall be applicable.
