e. Click OK.

## 3 ASSIGNING PLANID CARD TO NEW PLANID USER

### 3.1 Planmeca Compact i Touch

 Sign in to the dental unit as one of the local users. The local user's settings are automatically transferred to the PlanID user.

2. Press Program.

3. Press New user.

The Assign PlanID tag window opens.

- 4. Press Edit next to Romexis username. The Set Romexis username window opens.

5. Enter your Romexis username and save the changes by pressing OK.

#### NOTE

The username must be the same that you entered in the *Add User* window in Planmeca Romexis. If you did not enter a username in Planmeca Romexis as instructed in *Prerequisites* above, you can enter it now.

The Set Romexis username window closes.

- 6. Optional: If you did not enter your first name and/or last name in Planmeca Romexis as instructed in *Prerequisites* above, you can enter them now by pressing **Edit** next to the menu item. If first name and last name were entered in Planmeca Romexis, they will be retrieved from Romexis when you sign in with your PlanID card.
- 7. Show the PlanID card to the PlanID reader on the dental unit. The text *PlanID tag detected* is displayed.

8. Close the Assign PlanID tag window by pressing OK.

Your PlanID card has now been assigned to you and you have been signed in to the dental unit.

### 3.2 Planmeca Sovereign Classic

 In the dental unit's *Sign in* window, press **New user**. The *User settings* window opens.

#### 2. Press Assign PlanID tag.

The Assign PlanID tag window opens.

- 3. Press Edit next to Romexis username. The Set Romexis username window opens.

4. Enter your Romexis username and save the changes by pressing OK.

#### NOTE

The username must be the same that you entered in the *Add User* window in Planmeca Romexis. If you did not enter a username in Planmeca Romexis as instructed in *Prerequisites* above, you can enter it now.

The Set Romexis username window closes.

5. Show the PlanID card to the PlanID reader on the dental unit. The text *PlanID tag detected* is displayed.

- 6. Close the Assign PlanID tag window by pressing OK.
- 7. Close the *User settings* window by pressing **OK**.

Your PlanID card has now been assigned to you and you have been signed in to the dental unit.

### 4 SIGNING IN TO DENTAL UNIT AS PLANID USER

To sign in to the dental unit, show the PlanID card to the PlanID reader. A welcome message is displayed.

When you are signed in as a PlanID user, the PlanID user symbol is displayed.

# **5 TECHNICAL SPECIFICATIONS**

#### 5.1 FCC Class B Notice for PlanID RFID-reader

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1. This device may not cause harmful interference.
- 2. This device must accept any interference received, including interference that may cause undesired operation.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/television technician for help.

**Modifications:** Any modifications made to this device that are not approved by Planmeca may void the authority granted to the user by the FCC to operate this equipment.

### 5.2 Industry Canada (IC) Compliance Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

### 5.3 Industrie Canada (IC) Déclaration de conformité

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

(1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'' en compromettre le fonctionnement.

#### 5.4 RF Exposure

This device has been tested for compliance with FCC RF exposure limits in a portable configuration. At least 15 cm of separation distance between the PlanID device and the user's body must be maintained at all times. This device must not be used with any other antenna or transmitter that has not been approved to operate in conjunction with this device.
