

SELECCIONAR IDIOMA

Colóquese el auricular, y luego enciéndalo. Al hacerlo por primera vez, se le pedirá que seleccione el idioma desde un conjunto de tres opciones. Cuando termine, escuchará "emparejamiento"; vaya al menú de configuración del teléfono para conectarlo a los auriculares.

205348-05 11.15 Model ID EITE162

EMPARÉJESE

- 1 Active la función Bluetooth* de su teléfono y ajústela para que busque nuevos dispositivos.
 - iPhone Settings (ajustes) > Bluetooth > On* (encendido)
 - Android Settings (ajustes) > Bluetooth: On (encendido) > Scan for devices* (buscar dispositivos)* Los menús pueden variar de un dispositivo a otro.

- 2 Seleccione "PLT E80 Series".

Si el teléfono pide una contraseña, introduzca cuatro ceros (0000) o acepte la conexión.

Una vez logrado el emparejamiento correctamente, escuchará "pairing successful" (emparejamiento correcto) y la luz indicadora  de los auriculares dejará de parpadear.

ASPECTOS BÁSICOS

Conteste o finalice una llamada

Toque el botón de llamada .

Ajuste del volumen

Toque el botón para aumentar  o disminuir  el volumen.

Silencio

Durante una conversación, presione los botones para aumentar  y disminuir  el volumen durante 2 segundos hasta que escuche "mute on" (silencio activado) o "mute off" (silencio desactivado).

Volver a marcar

Toque dos veces el botón de llamada  para marcar el último número llamado.

Control por voz

Siri, Google Now™, Cortana Presione el botón de llamada  durante 2 segundos y espere la indicación del teléfono para activar la marcación por voz, y otros controles por voz del smartphone.

Cambie el idioma

Puede volver a seleccionar el idioma del auricular en cualquier momento al poner el auricular en modo de emparejamiento.

Modo de emparejamiento

Colóquese el auricular, y luego enciéndalo. Mantenga presionado el botón de llamada  hasta que escuche "pairing" (emparejamiento). Puede emparejar hasta dos dispositivos con el auricular.

GET STARTED PARA EMPEZAR

EXPLORER 80 SERIES

Designed in Santa Cruz, California

SELECT LANGUAGE

Wearing your headset, power it on. The first time you do, you will be prompted to select your language from a set of three options. When completed, you will hear "pairing;" go to the "settings" menu on your phone to connect to your headset.

GET PAIRED

- 1 Activate Bluetooth* on your phone and set it to search for new devices.

- iPhone Settings > Bluetooth > On*
 - Android Settings > Bluetooth: On > Scan for devices*
- * Menus may vary by device.

- 2 Select "PLT E80 Series."

If necessary, enter four zeros (0000) for the passcode or accept the connection.

Once successfully paired, you hear "pairing successful" and the indicator  light stops flashing.

BASICS

Answer or end a call

Tap the Call  button.

Adjust the volume

Tap the Volume up  or Volume down  button.

Mute

During a conversation, press both the Volume up  and Volume down  buttons for 2 seconds until you hear "mute on" or "mute off."

Redial

Double-tap the Call  button to call the last number you dialed.

Voice control

Siri, Google Now™, Cortana Press the Call  button for 2 seconds and wait for the phone prompt to activate voice dialing, search, and other smartphone voice controls.

Change language

Reselect the headset language at any time by putting your headset into pair mode.

Pair mode

While wearing your headset, power it on. Press and hold the Call  button until you hear "pairing." You can pair up to 2 devices to your headset.

Charge

It takes 2 hours to fully charge the headset; the indicator  light turns off once charging is complete.

Adjust the fit

The universal-fit eartip has a thin loop that bends to gently tuck into the contours of either ear. To adjust the fit, you can rotate the eartip on the headset or add the optional clip-on earloop.

INSTALL THE APP

Get the most from your headset by installing our free mobile app, Plantronics Hub for iOS/Android. Explore all of your headset's features, view instructions, and contact Plantronics support easily from your smartphone. Learn how to:

- Use **Find MyHeadset** feature
- Play music and podcasts
- Pair two devices

FCC statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generate, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF exposure warning

- The equipment complies with FCC RF exposure limits set forth for uncontrolled environment.

The equipment must not be co-located or operating in conjunction with any other antenna or transmitter.

NOTE: THE GRANTEE IS NOT RESPONSIBLE FOR ANY CHANGES OR MODIFICATIONS NOT EXPRESSLY APPROVED BY THE PARTY RESPONSIBLE FOR COMPLIANCE. SUCH MODIFICATIONS COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.

IC Radiation Exposure Statement for Canada

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
