HONEYWELL SPOC MANUAL

To access the most current revision of the Honeywell - Supplemental Purchase Order Conditions (SPOC) manual, please use the Honeywell - Integrated Supply Chain page. The direct URL is https://scc.honeywell.com.

If you do not currently have a logon and password, please follow the link titled "Request access to HASP". If you do not have a Honeywell PO or supplier number, please explain in the comments section that the account will be used for the Apps and Docs pages in HASP only.

Please contact your Plexus buyer if you have questions or additional help is required.
