Caution: This camera is battery operated. To avoid electrical shock, do not expose to or immerse in water or other fluids, disassemble, or operate if dropped or damaged. Contact a Polaroid Service Center for repair information.

Film Caution: This process uses a caustic paste. Avoid contacting skin, eyes or mouth with the paste and keep it away from children and animals. If you get some paste on your skin, wipe it off immediately and wash with water to avoid an alkali burn. If eye or mouth contact occurs, quickly wash the area with plenty of water and see a doctor. Do not cut or take apart photos. Keep discarded materials away from children, animals, clothing, and furniture.
