Letter of Attestation

Additional Declaration for User Manual

Ref: **FCC ID: OA8CDUV55**

To Whom it may concern:

The User Manual attached in this FCC filing is not the final version. The final version of the User Manual for this product as it will be marketed in the U.S. will not have any reference to the wide-band emissions of 25kHz channels/5kHz (please refer to pages 4, 6, 9, 14, and 39 of the User Manual in this FCC filing). Also, the support for VOX operation, as specific on page 14 will be removed, because the device as it will be marketed in the U.S. will/does not support this VOX function.

Sincerely,

Quanzhou Chierda Electronic Telecom Co.,Ltd
