

Quartet® Presentation & Display Easels

Manage your information. Communicate with clarity.

Quartet®

Quartet Motion® Room Dividers

Create instant collaboration spaces in today's open floor plans and let thoughts flourish. Double-sided Quartet Motion® Room Dividers are **flexible and adaptable** to any work environment, **turning uninspired rooms into active workspaces**. Highest-quality, smooth **DuraMax® Porcelain whiteboard surface** ensures maximum durability for years. **Reverse bulletin surface adds increased communication** functionality and productivity.

Product Features

DuraMax® Porcelain

Highest-quality, hardwearing DuraMax® Porcelain will not stain, ghost, scratch or dent. Requires minimal cleaning.

Total Erase® Surface

Premium surface with superior erasing performance. Occasional cleaning required.

Magnetic

Magnetic whiteboard writing surface doubles as a bulletin board. Attach communication without damaging documents.

Grid

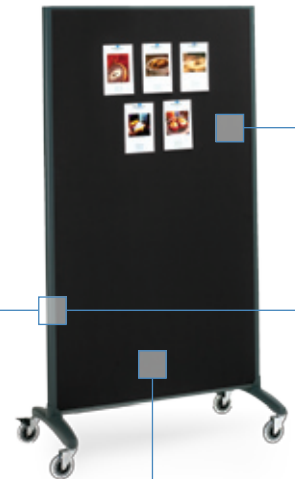

Subtle dotted grid pattern guides straight and precise writing. Remains invisible to audience.

Repositionable flipchart pad holders

Adaptable Design. Get productivity rolling. Sleek footprint and smooth rolling wheels with locking casters allow for complete mobility and stability.

Quartet Motion® Room Dividers

Clear Communication. Depend on the DuraMax® Porcelain surface to evade stains, ghosting, scratches and dents. Attach and display important documents and special notes on the resilient bulletin surface. Neutral grey, self-healing fabric matches well with office tones and withstands wear and blemishes.

Increased Collaboration. Customize and increase your workspace by attaching multiple dividers, employing the "Divider Connection Kit."

66C divider connection kit

6640MB	combination board/graphite	74" x 50.2" x 20"
6630MB	combination board/graphite	74" x 38.2" x 20"

Smart Features. Repositionable flipchart hooks plus you can attach a double-sided Motion® Board for increased communication needs.

Self-healing fabric

Quartet® 3-In-1 Easel

The ultimate in office productivity, the Quartet® 3-In-1 Easel excels in performance. **Strengthen collaboration** and ignite new ideas on the **smooth Total Erase® whiteboard** surface. Present unique business plans on the **reverse display panel**. Utilize the **double-sided easel** as a **room divider** and instantly create private meeting areas. Turn your space into a sophisticated communication center with this versatile tool.

Easy Transport. Four smooth-rolling wheels allow for complete mobility while two securely lock in place for increased stability. Sleek footprint reduces space consumption.

Increased Communication. A double-sided board, the exceptionally designed Total Erase® surface evades stains and ghosting while the handy flipchart pad holder allows you to instantly communicate important messages.

Two secure locking casters

Greater Flexibility. Repositionable storage shelves on display panel store presentation materials and collapse to make room for flipchart pads. Bottom storage shelving is stationary and perfect for quickly accessing everyday office tools.

Modern Finish. Modern metal frame and contemporary translucent bottom panel enhances professional meeting rooms.
