

Bluetooth Keyboard Case

A. Bluetooth Keyboard Pairing

1. Insert your iPad™ into the sleeve of the case.
2. On your keyboard, set the Power switch to ON. The power switch is located on the right side of the keyboard.
3. Press the connect button on your keyboard which is located near the power switch. A blue indicator light will flash indicating that the keyboard is in pairing mode.
4. On your iPad™, tap Settings. Tap General to direct you to the Bluetooth Setting. Open Bluetooth and make sure Bluetooth is on.
5. Your iPad™ will discover the keyboard and show “Bluetooth Keyboard” on your screen. Tap the “Bluetooth Keyboard” words on your screen.
6. A notification box with a passkey should now appear on your iPad™ screen.
7. Enter the passkey on your keyboard, and press Enter.
8. Your iPad™ screen should show the Keyboard as Connected.

B. Charging

1. Use the included USB to Micro USB cable that is included in the package. Plug the Micro USB connector into the Micro USB port located on the right side of the keyboard.
2. Plug the USB connector into a USB port on your computer or into any USB wall charger (Helpful tip: USB Wall charger is included with your iPad™.)
3. The red light on the keyboard will illuminate showing that charging is in progress. When the red light significantly reduces its glow, your device is ready for use.
4. Charge your keyboard for 4 to 6 hours for a full charge.

You are now ready to use your Bluetooth Keyboard.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
