

The new degree of comfort.™

Heat Pumps
RPQL-JEZ Series

HIGH COMFORT LEVELS

LOW BILLS ALL YEAR LONG

With heating and cooling performance, the **Rheem Prestige Series™ Heat Pump equipped with the Comfort Control System™** lets you keep your comfort level high and your energy bills low so you can simply enjoy being at home.

RPQL-JEZ Series

Efficiencies up to 15.5 SEER

Energy Savings

Innovative comfort solution based on established technologies provides continuous heating and cooling and a reduction in your home's energy usage.

Advanced Comfort

The *Comfort Control System* actively keeps your home comfortable and your heat pump running smoothly through 32 performance-monitoring points when paired with a matching indoor component and thermostat.

Guaranteed Reliability

Quality construction ensures quiet operation, better protection against the elements and long-lasting performance backed by a 10-year limited parts and 5-year conditional total unit replacement warranty.

INTEGRATED HOME COMFORT

Rheem.com

The Comfort Control System

32
ACTIVE
MONITORING
POINTS

When paired with a compatible indoor component and thermostat, this advanced technology makes it easy to maximize your family's comfort and utility cost savings. The *Comfort Control System* ensures your Rheem *Prestige Series* heat pump runs at top efficiency by actively monitoring your equipment — measuring temperature and relative humidity while providing detailed diagnostics that make it easy for your contractor to perform repair and maintenance. It also includes routine reminders for air filter changes.

Enjoy the Benefits of Smart Heat Pump Technology

The Rheem *Prestige Series* Heat Pump featuring the *Comfort Control System* is designed for maximum efficiency, offering smart technology that helps your family enjoy the highest level of comfort, while lowering energy use and electricity bills.

Energy-Efficient Cooling & Heating Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by cooling and heating efficiency ratings of up to 15.5 SEER and 10 HSPF.

Curb Appeal Low-profile design blends in with the exterior of your home and is less likely to obstruct views from exterior windows.

Quiet Operation Elevation of the unit off the concrete pad reduces vibrations, allowing for quieter performance.

Maximum Efficiency The Rheem *Prestige Series* Heat Pump meets a full range of comfort requirements. In locations with colder winters, create a *hybrid or dual-fuel solution* by installing a heat source depending on the outdoor temperature, delivering reduced energy bills – no matter the size of your home.

Enjoy Long-Lasting Quality and Comfort

We understand that purchasing heating and cooling equipment is an investment. With Rheem, it's one you can expect to continually perform and deliver value for your family long-term. We've designed the Rheem *Prestige Series* to provide comfort you can count on while enjoying a return on your investment.

Protective Design Full metal cabinet protects the coil from hail, lawn debris and keeps children safe.

Superior Finish Powder-painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

Rheem Quality Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.

Benefits At-A-Glance

Cooling Efficiency:

Up to 15.5 SEER/13 EER

Heating Efficiency:

Up to 10 HSPF

Rheem Heating, Cooling
& Water Heating

Founded in 1925, our mission is still simple: Help your family enjoy a new degree of comfort with solutions that keep you cool in the summer, warm in the winter and enjoying hot water year-round. To learn more about our products, including our line of Integrated Home Comfort Solutions, visit us online today at Rheem.com.

Rheem Indoor Air Quality Products

Rheem takes your comfort to the next level with a full line of products designed to remove impurities from the air and maintain optimal moisture levels in your home. To learn more, visit us online today at Rheem.com/IAQ.

Our Protection Plus® extended service protection extends the coverage length and type of your product warranty. Talk to your contractor about the plan that's right for you, or visit Rheem.com/ProtectionPlus.

Our KwikComfort® Financing offers you a convenient way to finance everything associated with your Rheem Home Comfort purchase — your equipment, installation, Protection Plus® extended service protection, maintenance agreements, and more. To learn more, visit us online today at Rheem.com/KwikComfort.

Proper sizing and installation of equipment is critical to achieve optimal performance. Residential split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

* Communicating thermostat must be used to receive maximum benefit from the *Comfort Control System*.

** For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local contractor or go to Rheem.com for a copy of the product warranty certificate. Conditional warranties must be registered through registermyunit.com.
