The Rheem Air Conditioning Division of Rheem Sales Company, Inc. certifies that the following models (if placed in service after December 31, 2013 and before January 1, 2015 in a homeowner's primary residence) meet the criteria of "Qualified Energy Property" as set forth by Section 25C of the Internal Revenue Code.

Please consult with your tax advisor to determine what, if any, tax credit may be available to you.
