The Test / Silence button should be used only by a professional installer.

**Note 2:** The RWT30S433USA is FCC approved.

**FCC NOTE ( for RWT30S433USA)**

This equipment (RWT30S433USA) has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- (1) Reorient or relocate the receiving antenna.
- (2) Increase the separation between the equipment and receiver.

Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications to this equipment not expressly approved by the party responsible for compliance, Rokonet Electronics Ltd. could void the user's authority to operate the equipment.

**FCC ID (For RWT30433USA): JE4RWT30S433**
