1.1. Installation and Operation Manuals [2.1033(c)(3)]

Rockwell Collins does not supply operating instructions with the HST, which is designed to meet the requirements of ARINC 741 and RTCA DO-210D and is operated by trained pilots as part of the SATCOM system. Rockwell Collins does produce a comprehensive Installation Manual which, pursuant to agreement with FCC staff, is available upon request but is not included in this electronic exhibit.
