

Exhibit H – User’s Manual

RTA-41XX

Rockwell Collins does not supply operating instructions with the RTA-41XX. The RTA-41XX is designed to meet the requirements of ARINC 429 and 708A as well as RTCA documents DO-220, DO-160E, and DO-178B. Rockwell Collins does produce a comprehensive installation manual which, pursuant to an agreement with the FCC staff, is available upon request but is not included in this electronic exhibit.
