

EXHIBIT H—USER'S MANUAL

Rockwell Collins does not supply operating instructions with the HFS-2100, which is designed to meet the requirements of ARINC 719 and ARINC 753 and is operated by trained pilots as part of the HFS Communications system of the aircraft. Rockwell Collins does produce the HFS-2100 Component Maintenance Manual & Illustrated Parts List, a comprehensive installation and maintenance manual which, pursuant to an agreement with the FCC staff, is available upon request but is not included in this electronic exhibit.
