Software Support

ZoneFlex 7055 will be supported in all major software releases (including SmartZone, ZoneDirector) for at least 1 year following the end of sale date – that is, until December 31st 2017. Note that while these AP models will be supported in major software releases during this time, they may not support all new features introduced in these releases.

End of Software Milestones	Date/Last Release
End of Software Development: (Support in major software releases)	December 31, 2017 (release numbers TBD)

Replacement Products

Replacement products are functionally better than or equivalent to EOL products, but may have a different form factor.
