Dear Brocade Customer,

This letter is a formal notification that Brocade is extending the Last Time Order Date for the Brocade® FastIron WS Series. Note that formal End of Life notification was originally provided on November 26, 2013.

The recommended product replacement for the Brocade FastIron WS Series are the Brocade ICX 6430 and 6450 switches. Consult your account management team for more details.

Brocade will continue to offer and provide support for the EOL products five (5) years from the Last Customer Ship Date (LCS) below for those customers with a valid support contract.

The objective of the Brocade account management team is to smoothly transition opportunities to the new products by planning to the following milestones:
