Back cover

**CAVALIER**

Front cover

**THE AIR**  
 BLUETOOTH/WIFI HOME SPEAKER SYSTEM  
 WITH WIRELESS CHARGING + ALEXA VOICE CONTROL  
 Model: CAV5

WHAT'S IN THE BOX:

- The Air (CAV5)
- A/C Power Adaptor

WHAT YOU'LL NEED:

- Wi-Fi network transmitting at 2.4GHz
- Apple device running iOS 10 or later or Android device running Lollipop 5.0 or later connected to your preferred Wi-Fi network
- Install the Cavalier app and Amazon Alexa app (iOS or Android) for setup and to enable Alexa voice control and Wi-Fi streaming music services

Questions? [www.cavalieraudio.com](http://www.cavalieraudio.com) 1-800-925-6224

- 1 Plug included AC adaptor into the DC jack on back of unit. Connect other end of cable into a working wall outlet.

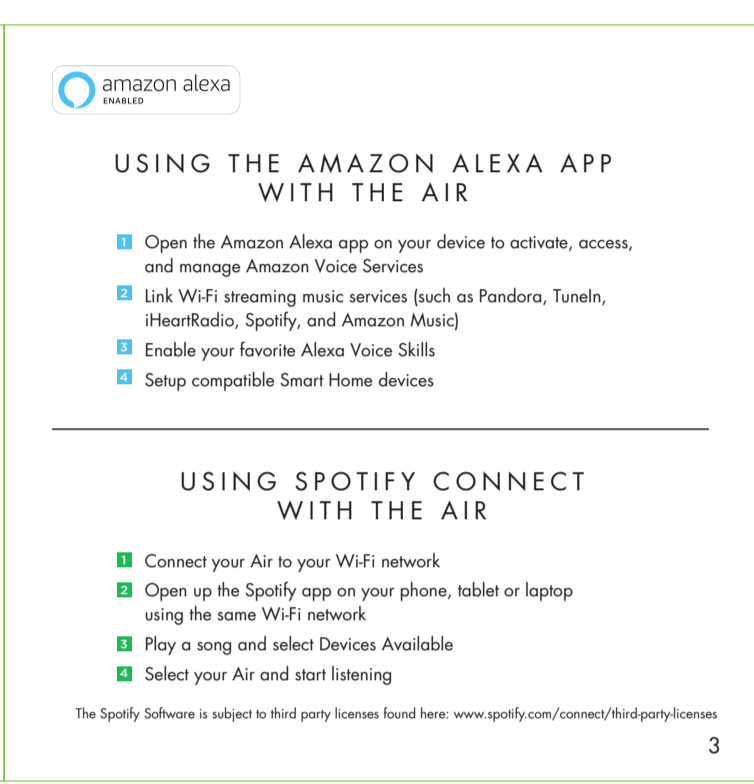

- 2 Download the Cavalier Audio app from the App Store or Google Play.
- 3 Download the Amazon Alexa app from the App Store or Google Play.
- 4 Follow Cavalier Audio in-app instructions for account setup and to establish your speaker's Wi-Fi connection.
- 5 Connect your Amazon account to enjoy the Alexa voice capability of your CAV5.

Use the Cavalier Audio app to:  
 - CONNECT TO WI-FI  
 - SETUP ALEXA  
 - CUSTOMIZE CONTROLS  
 - AND MORE!

Use the Amazon Alexa app to:  
 - MANAGE AMAZON ACCOUNT  
 - LINK STREAMING SERVICES  
 - ACTIVATE ALEXA SKILLS  
 - AND MORE!

USING THE AMAZON ALEXA APP WITH THE AIR

- 1 Open the Amazon Alexa app on your device to activate, access, and manage Amazon Voice Services
- 2 Link Wi-Fi streaming music services (such as Pandora, TuneIn, iHeartRadio, Spotify, and Amazon Music)
- 3 Enable your favorite Alexa Voice Skills
- 4 Setup compatible Smart Home devices

USING SPOTIFY CONNECT WITH THE AIR

- 1 Connect your Air to your Wi-Fi network
- 2 Open up the Spotify app on your phone, tablet or laptop using the same Wi-Fi network
- 3 Play a song and select Devices Available
- 4 Select your Air and start listening

The Spotify Software is subject to third party licenses found here: [www.spotify.com/connect/third-party-licenses](http://www.spotify.com/connect/third-party-licenses)

**Bluetooth Button**  
 Make your device "discoverable" by turning on Bluetooth mode.

**Mute Button**  
 Press to mute and unmute mics (enables privacy for Alexa).

**Smart Button**  
 Play / Pause = 1 Press  
 Forward = 2 Press  
 Reverse = 3 Press  
 Alexa = Press + Hold  
 Answer Call = 1 Press  
 End Call = Press + Hold  
 Ignore Call = Press + Hold

**AIR Alarm Button**  
 Alarm will re-activate every 9 minutes for up to an hour.

**Snooze**  
 Alarm will re-activate every 9 minutes for up to an hour.

**Volume Down**  
 Press + or - to adjust alarm time.

**Volume Up**  
 Press + or - to choose AM or PM.

**Smart Button**  
 Press + or - to choose a wake-to source: Bluetooth (BT) or iHome tones (SND).

**Note: This is the fastest, most reliable method for charging your devices.**

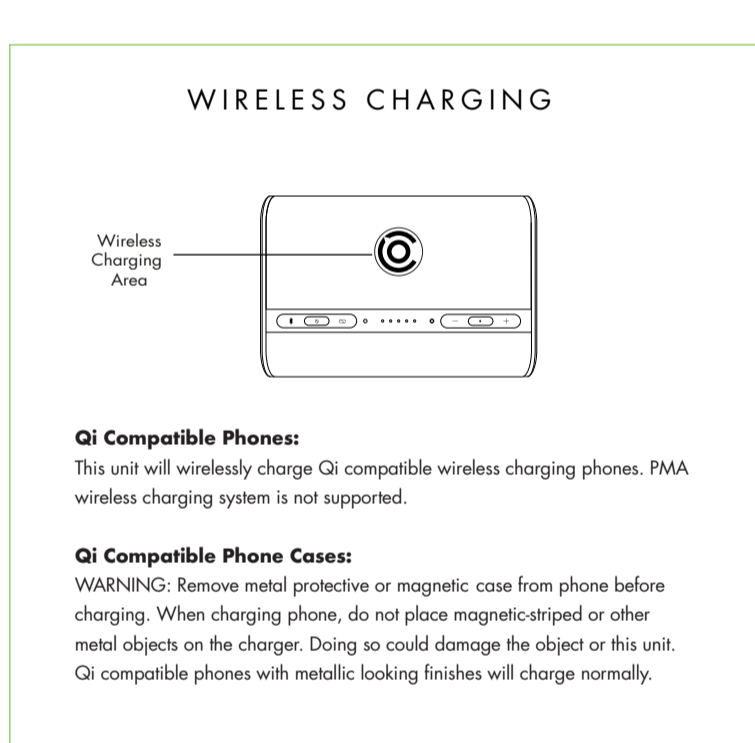

**USB Charging Port**  
 When unit is connected to AC power, connect USB cable (not included) to charge devices.

**DC Jack**  
 Connect your power adapter to the DC Jack on the back of the unit.

**Clock Display**  
 Press to cycle through display brightness levels: High, 6.5, 4.3, 2.1 and OFF.

**Wi-Fi**  
 Press for Wi-Fi mode. Press and hold for 5 seconds for Wi-Fi setup mode. Press and hold for 15 seconds to clear/reset Wi-Fi and Alexa.

**Qi Compatible Phones:**  
 This unit will wirelessly charge Qi compatible wireless charging phones. PMA wireless charging system is not supported.

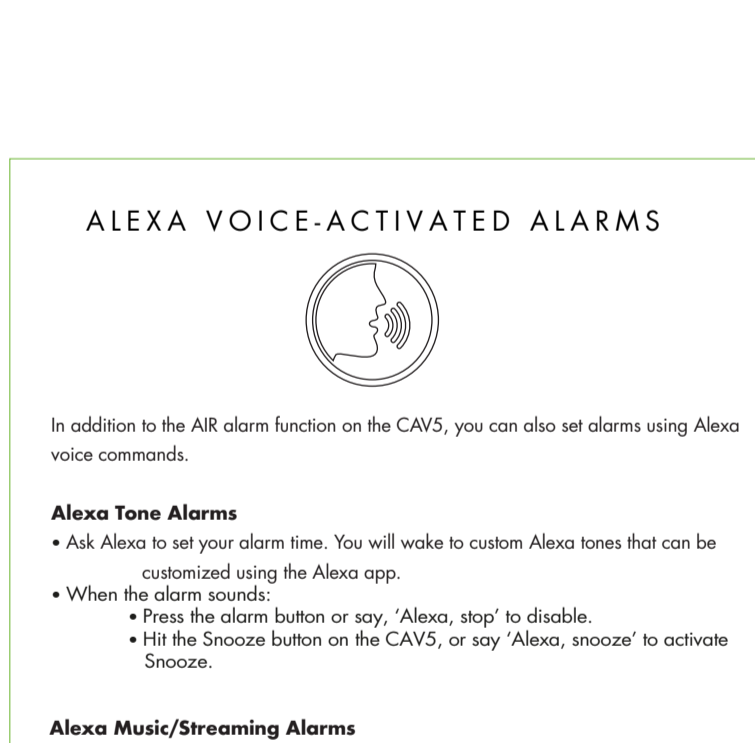

**Qi Compatible Phone Cases:**  
 WARNING: Remove metal protective or magnetic case from phone before charging. When charging phone, do not place magnetic-stripped or other metal objects on the charger. Doing so could damage the object or this unit. Qi compatible phones with metallic looking finishes will charge normally.

**How to Charge Your Phone:**  
 Center Qi compatible device face up on marked charging target circle. The LED status indicators will glow orange while your device charges, and green when your device is fully charged.

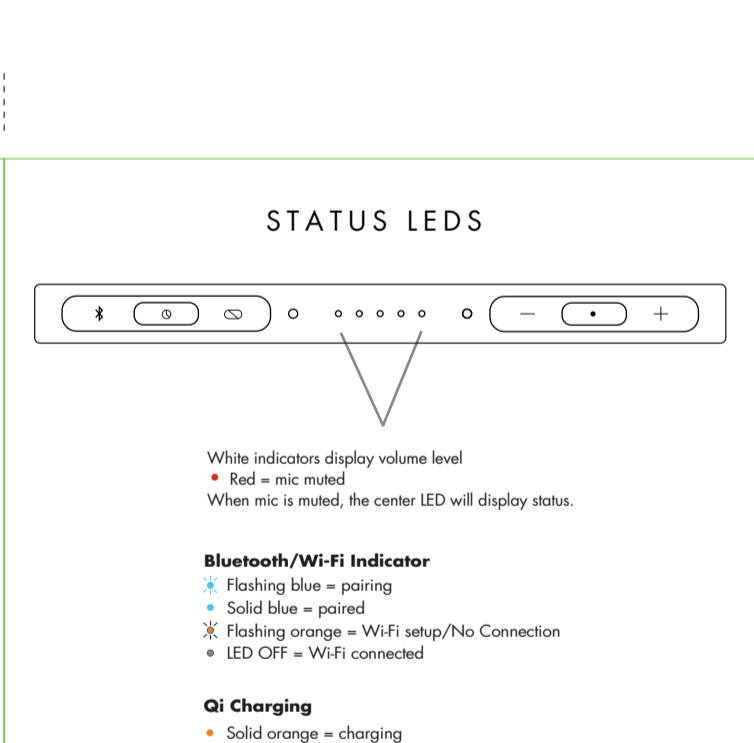

**Playing Music During Qi Charging:**  
 The volume level will be limited during Qi charging. If you prefer to listen to music at a high volume level while charging your device, we recommend using the built-in USB port on the back of the unit.

**Note:** The charging phone may shift position while music is playing. Please use caution. The wireless charging process generates heat that may cause phones and chargers to get warm to the touch. This is natural for wireless charging devices.

**Alexa Tone Alarms**  
 Ask Alexa to set your alarm time. You will wake to custom Alexa tones that can be customized using the Alexa app.

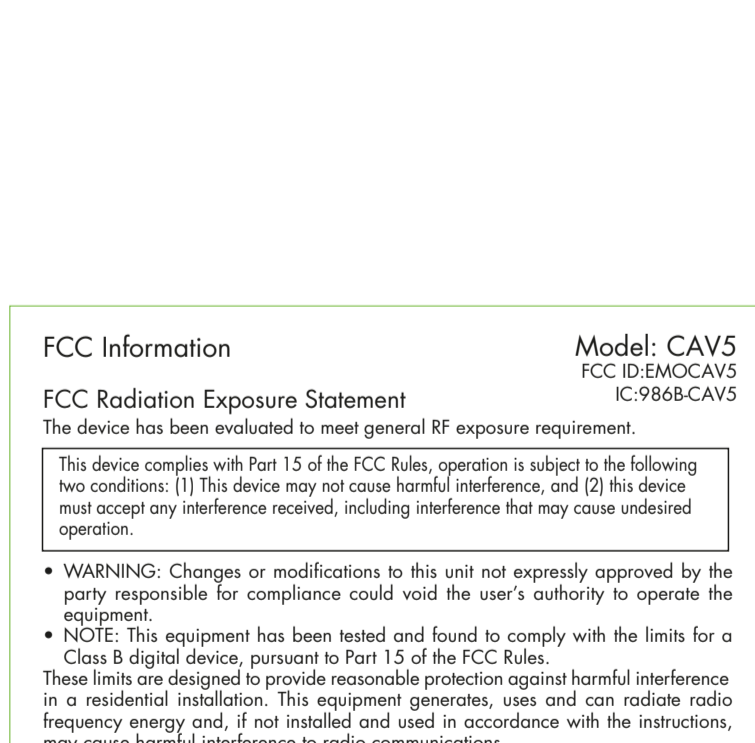

**Alexa Music/Streaming Alarms**  
 Ask Alexa to set your alarm time to wake to Spotify, iHeart Radio, etc.

**White indicators display volume level**  
 Red = mic muted  
 When mic is muted, the center LED will display status.

**Bluetooth/Wi-Fi Indicator**  
 Flashing blue = pairing  
 Solid blue = paired  
 Flashing orange = Wi-Fi setup/No Connection  
 LED OFF = Wi-Fi connected

**Qi Charging**  
 Solid orange = charging  
 Solid green = device is fully charged  
 Flashing red = charging error

FCC Information

FCC Radiation Exposure Statement  
 This device has been evaluated to meet general RF exposure requirement.

This device complies with Part 15 of the FCC Rules, operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications to this user's authority to operate the party responsible for compliance could void the unit's warranty to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

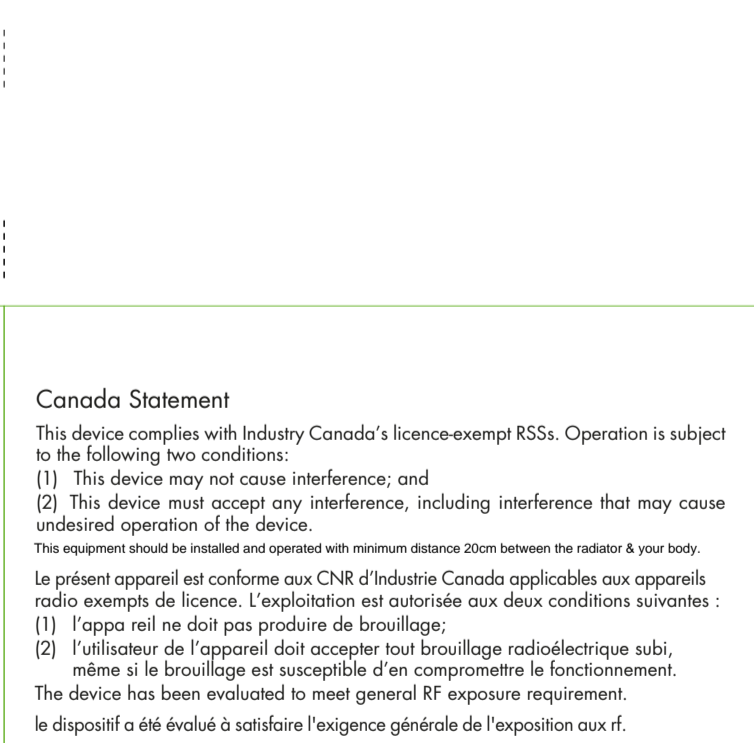

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

CAN ICES-3 (B)/NMB-3(B)

Canada Statement

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device must not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

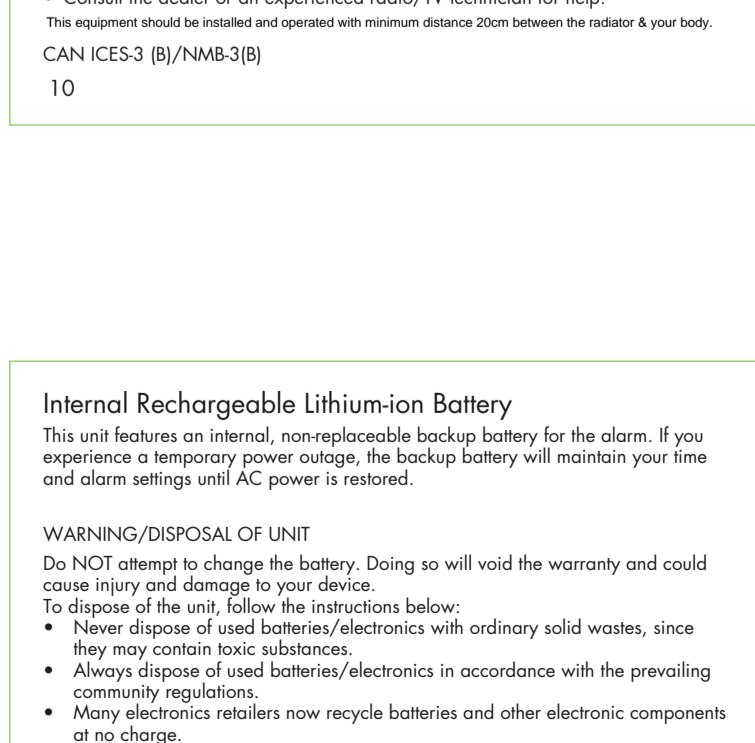

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage;
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device has been evaluated to meet general RF exposure requirement.

le dispositif a été évalué à satisfaire l'exigence générale de l'exposition aux rf.

Cet équipement doit être installé et utilisé avec une distance minimale de 20 cm entre le radiateur et votre corps.

**Internal Rechargeable Lithium-ion Battery**  
 This unit features an internal, non-replaceable backup battery for the alarm. If you experience a temporary power outage, the backup battery will maintain your time and alarm settings until AC power is restored.

**WARNING/DISPOSAL OF UNIT**  
 Do NOT attempt to change the battery. Doing so will void the warranty and could cause injury and damage to your device.

To dispose of the unit, follow the instructions below:

- Never dispose of used batteries/electronics with ordinary solid wastes, since they may contain toxic substances.
- Always dispose of used batteries/electronics in accordance with the prevailing community regulations.
- Many electronics retailers now recycle batteries and other electronic components at no charge.

GENERAL BATTERY PRECAUTIONS

Never use or charge a battery if it appears to be leaking, discolored, deformed, or in any way abnormal.

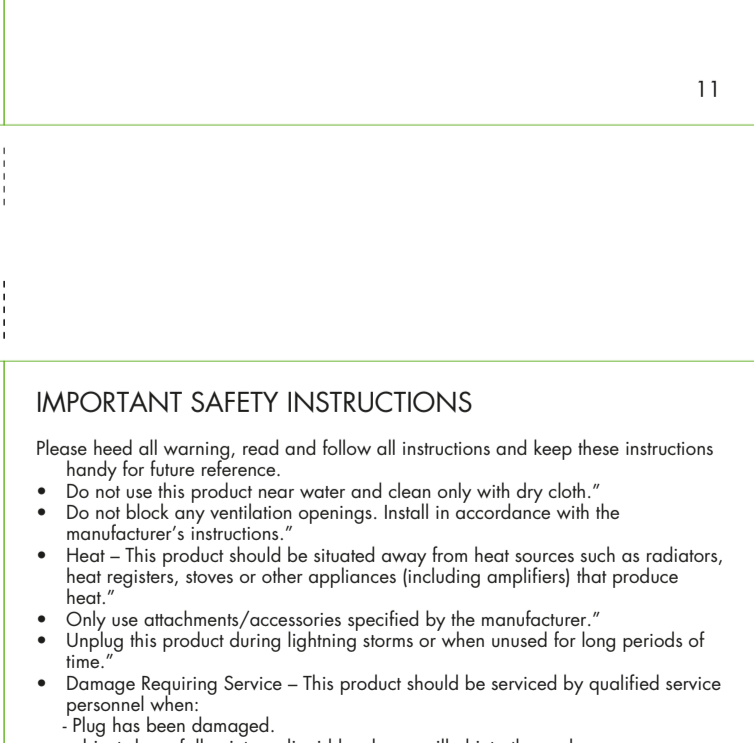

Never disassemble the unit or attempt to remove battery as that could cause leakage of alkaline solution or other electrolytic substances.

Avoid charging a rechargeable battery when the temperature is not within 5°C - 35°C (41° - 95° Fahrenheit).

Never expose a battery to any liquid.

Never expose a battery to excessive heat such as direct sunlight or fire. Never use a battery pack in an unventilated vehicle where excessive internal temperatures may be encountered.

Always keep batteries out of the reach of infants and small children.

IMPORTANT SAFETY INSTRUCTIONS

Please heed all warning, read and follow all instructions and keep these instructions handy for future reference.

- Do not use this product near water and clean only with dry cloth."
- Do not block any ventilation openings. Install in accordance with the manufacturer's instructions."
- Heat - This product should be situated away from heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat."
- Only use attachments/accessories specified by the manufacturer."
- Unplug this product during lightning storms or when unused for long periods of time."
- Damage Requiring Service - This product should be serviced by qualified service personnel when:
  - Plug has been damaged.
  - objects have fallen into or liquid has been spilled into the enclosure.
  - the unit has been exposed to rain.
  - the unit has been dropped or the enclosure damaged.
  - the unit exhibits a marked change in performance or does not operate normally"
- No naked flame sources, such as lighted candles, should be placed on this product"
- This product is suitable for use in tropical and/or moderate climates."
- WARNING: To reduce the risk of fire or electric shock, do not expose this product to rain or moisture"
- The mains plug of power adaptor is used as the disconnect device, it shall remain readily operable"
